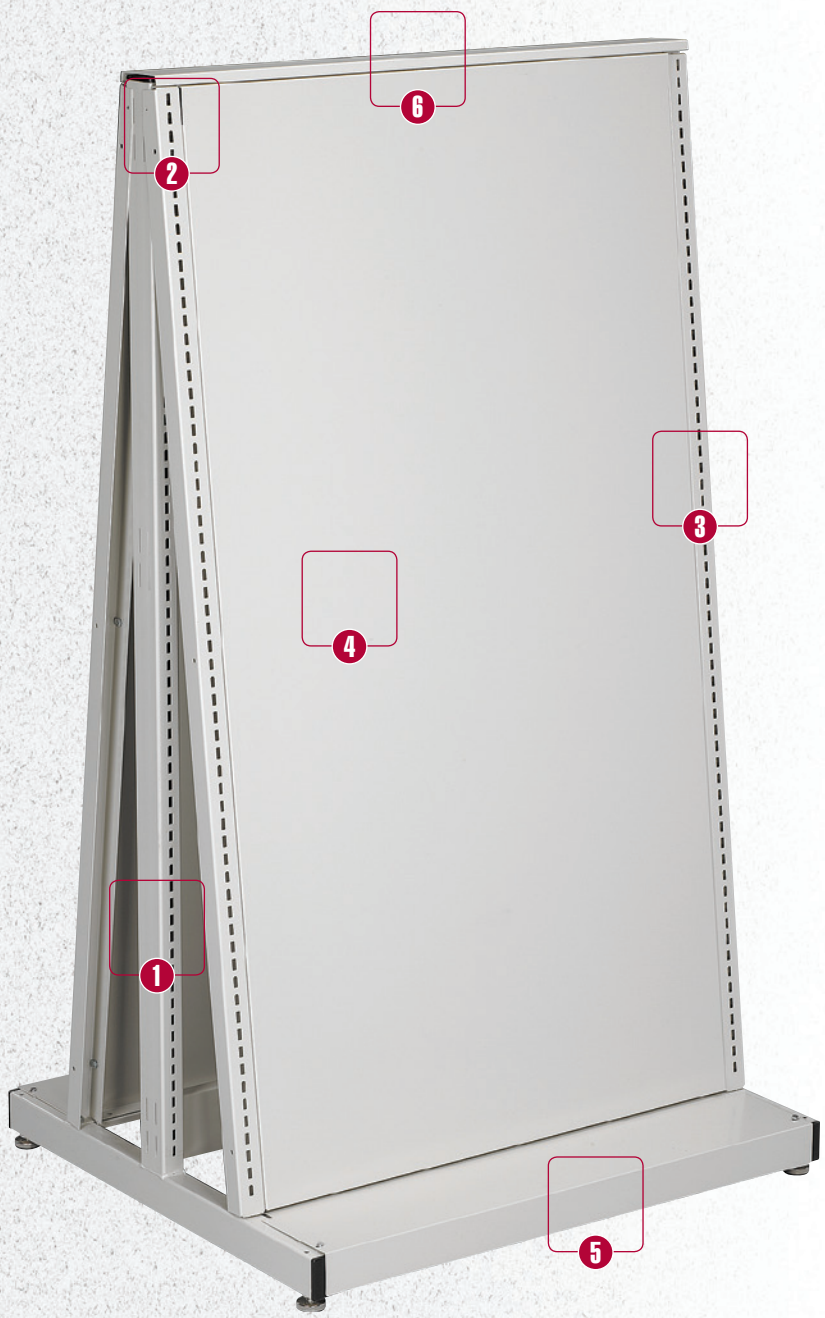
A-Frame Display Shelving

ESTEY

A DIVISION OF TENNSCO CORP.



Upright Assembly

Upright assembly gives the shelving a clean, contemporary look and added strength without compromising aisle space or storage capacity.

Stabilizer Strut

Sturdy construction gives Tennsco/Estey A-Frame Display Shelving the strength to stand up to the heaviest capacities.

Channels

Innovative channel design features 16-gauge uprights that allow you to add and adjust the shelving in 1" increments.

Front Panels

Front Panels add a stylish backdrop to the system while concealing unsightly hardware. Choose from 12 unique, powder painted, baked enamel finishes.

Kick Plate

Kick Plate allows for easy cleaning and prevents items from rolling beneath shelves.

Top Cover

Top Covers create a finished, polished look to every unit.

European Styled Display System

Our A-Frame Display Shelving System offers clean, modern styling, perfect for any retail or library environment.

The modular system is designed to hold everything from books and periodicals to Blu-rays and multi-media collections.

Simply start with the A-Frame unit then choose from a variety of shelving options* to accommodate your needs. End panels are also available which hide any exposed hardware and create a finished look.

The A-Frame System is available in single and double faced units in 42", 54", and 66" heights.

**Shelves are sold separately.*

Flexibility

Many of the Tennsco Designer Series Shelving options can also be used with your A-Frame display. This gives you complete customization with greater versatility.

SINGLE FACE

Size	Catalog Number*
36"w x 13"d x 42"h	DSS4236S
36"w x 14"d x 54"h	DSS5436S
