

To Whom It May Concern:

We intend to submit a bid on the below referenced project.

We are soliciting a proposal from you for any item or items on this project for which you are qualified to subcontract. You may submit proposals to subcontract items of construction or for project materials and supplies if you are a distributor of materials or equipment. The project's MBE/WBE fair share objectives are 3.1% MBD and 1.1% WBE.

A Bid Schedule is attached for your review. You are encouraged to submit proposals on any item(s) for which you are qualified to subcontract. Proposals will be evaluated uniformly and objectively, with subcontracts being awarded to the lowest responsible bidder considered to be appropriately qualified by the prime contractor. All subcontractors must be prepared to certify that the firm or the principles have not been determined to be ineligible to perform work under federally assisted or federal construction contract for any reason.

All negotiations must be completed prior to November 2, 2023.

For further details, you are encouraged to call this office at 931-735-6600.
