FORREST COUNTY GENERAL HOSPITAL STANDARD CONTRACT ADDENDUM

This standard contract addendum ("Addendum") is an integral part of contracts entered into by Forrest County General Hospital ("FCGH") and shall become a part of the following listed Agreements with

("Contractor") as if fully copied into the body of that Agreement. FCGH owns, controls, or does business as the following entities: Jefferson Davis Community Hospital, Marion General Hospital, Walthall General Hospital, and Highland Community Hospital.

The following terms shall control over any and all conflicting parts of the Agreement:

- 1. FCGH is a political subdivision of the State of Mississippi and is afforded the protection of limited sovereign immunity pursuant to the Mississippi Tort Claims Act (Mississippi Code Annotated, Section §11-46-1, et seq. as amended) and the Mississippi Constitution, including Article 4, Section 100. Any action against FCGH shall be subject to the limitations contained in those and other applicable laws, including interpretations by the Mississippi Attorney General's Office of the laws applicable to FCGH and/or the Agreement, none of which are waived by FCGH by entering into the Agreement.
- 2. FCGH contracts (including the Agreement) are governed by and interpreted under the laws of the State of Mississippi and the jurisdiction/venue for any litigation, special proceeding or other proceeding as between the parties that may be brought, or arise out of, in connection with, or by reason of the Agreement shall be in Forrest County, Mississippi.
- 3. No contract (including the Agreement) may be for a term of more than three (3) years unless it is an agreement regarding physical property (i.e., lease agreement for buildings, property, etc.).
- 4. Generally, Mississippi law does not allow FCGH to agree to contractual provisions under which it indemnifies or holds harmless another person or entity. Only to the extent permissible by Mississippi law does FCGH agree to any vendor's references, if any, to limitation of liabilities, damages, and indemnifications.
- 5. Any references to attorney's fees to be paid by FCGH are deleted. Any reference to FCGH indemnifying or holding harmless the Contractor is deleted; FCGH does not agree to defend any contractor. Each party shall be responsible for its own defense against all claims, liabilities, losses and expenses, including reasonable costs, collection expenses and attorneys' fees, which may arise because of the negligence, misconduct or other fault of its own agents or employees in the performance of its obligations under this Agreement. Mississippi law also does not allow FCGH to agree to mandatory arbitration, choice of law (other than Mississippi), or choice of venue (other than Forrest County, Mississippi), and provisions in the Agreement to the contrary are hereby deleted.
- 6. All references to interest, penalties, and/or late fees to be paid by FCGH on other than lease-purchase contracts not exceeding five years are deleted. FCGH will pay within forty-five (45) days of invoice, receipt, inspection and approval of goods and services as provided in §31-7-305(3) of the Code.
- 7. In the event Contractor does not furnish products or services as agreed upon in the Agreement, including any stated time period to cure, FCGH may, at its discretion, declare the Agreement null and void by written notice to the Contractor or may require the Contractor, at Contractor's expense, to make such modification as necessary to make the products or services satisfactory.
- 8. As a political subdivision of the State, FCGH maintains professional and general liability coverage (or equivalent self-insurance) in the amounts set forth by the Mississippi Tort Claims Act under MS Code Annotated, Section 11-46-1, et seq.) and does not name others as additional insureds.
- 9. In the event of any conflict between the terms of the Agreement and the terms of this Standard Addendum, the terms of this Addendum shall control. This Addendum and the Agreement constitute the entire agreement of the Parties with regard to the subject matter of the Agreement. In all other respects, the Agreement shall remain unchanged. No modification to the Agreement or any term thereof may be amended except pursuant to in writing signed by an authorized representative of FCGH. Contractor hereby acknowledges that no other person has authority to bind FCGH to any change in any term of the Agreement, and specifically agrees that any Contractor can not vary the terms of the Agreement by invoice, purchase order, memo or otherwise, unless it secures the signature of an authorized FCGH representative, acknowledging and expressly agreeing to the change. No acceptance or payment of an invoice by FCGH where the terms of that invoice that vary the Agreement shall constitute an amendment to the Agreement, but to the contrary shall be treated as mutual mistake and Contractor shall refund any payment received from FCGH which is not in compliance with the price terms and other provisions of the Agreement.

- 10. Contractor agrees to abide by the requirements of the Mississippi Employment Protection Act (E-Verify Program), as amended, by registering to do business with the Mississippi Department of Employment Security. Contractor further agrees that it shall only employ persons who are legal citizens of the United States or are legal aliens, properly documented and verified by Contractor in compliance with all applicable statutes, regulations and other laws.
- 11. If providing on site services, Contractor agrees to comply with fingerprinting and criminal history record checks requirements in accordance with Sections 37-29-232 and 43-11-13, Mississippi Code of 1972, as amended, to the extent applicable to Contractor. Contractor shall be responsible for ascertaining the application of those laws to it and its employees providing services under the Agreement.
- 12. If providing on-site patient care or on-site services in close proximity to patients, Contractor agrees to ensure its on-site staff have been drug screened no more than thirty (30) days prior to beginning the on-site assignment, using a drug screen procedure that is comparable to the drug screen currently used by FCGH in its post-offer pre-employment drug screening process.
- 13. Mississippi law limits those who can bind FCGH to any contractual provision and Contractor understands and agrees to this. Any changes in the Agreement, as to price or other terms, shall not be effective unless approved in writing signed by an authorized representative of FCGH.
- 14. Until the expiration of four (4) years after the furnishing of any Services hereunder, Contractor shall make available upon written request to the Department of Health and Human Services, or upon request to the Comptroller General of the United States, or of their duly authorized representatives this Agreement and the books, documents and records that are necessary to certify the nature and extent of the costs of the Agreement.

COMPLIANCE: As part of FCGH's overall Compliance Program, Contractor shall establish procedures and insure adherence to all applicable state and federal statutes, including but not limited to, the Stark Law (§42 USC 1395), the federal False Claims Act, the Medicare Anti-kickback Statutes, the federal Civil Monetary Penalty Act, the provisions of the Medicare carrier manual, Medicare and Medicaid statutes and regulations, the Emergency Medical Treatment and Active Labor Act (EMTALA), the Balanced Budget Act, and the Patient Protection and Affordable Care Act of 2010. All performance by Contractor pursuant to the Agreement shall be done in compliance with the applicable rules and regulations of the Det Norske Veritas (FCGH's accreditation entity) and any third party payer.

Contractor certifies that it has not been disqualified in any manner from any federally funded program, is in compliance with all state, federal and local laws applicable to it and to its performance of the Agreement, and Contractor has never been debarred or limited in any manner from participation in the matters relevant to the Agreement.
