1. District Background

The Mississippi Schools for the Deaf and the Blind (MSDB) are two (2) special purpose schools combined into one school district. Each school serves the unique purpose of providing educational and residential services to qualifying students across the state of Mississippi.

The Mississippi School for the Blind (MSB) was established on March 2, 1848 by the State Legislature (Article 9, Chapter 43 – Laws of Mississippi) and currently operates under Mississippi Code 1972 Annotated, Title 43, Chapter 5. MSB serves students who are blind, visually impaired, or deafblind.

The Mississippi School for the Deaf (MSD) was established in 1854 and is currently governed under Mississippi Code 1972 Annotated, Title 43, Chapter 5. MSD serves students who are deaf, hard of hearing, or deafblind.

The two schools were combined onto one campus in 1999. Over the years, certain services were combined to serve both schools including Facilities and Maintenance, Grounds and Transportation, Custodial Services, Health Services, Food Services, and the Business Office. In 2018, the two schools were combined into one district and Administration was restructured to serve over both schools.

On June 25, 2020 during the 2020 Regular Legislative Session, Governor Tate Reeves signed into law HB 667 amending MSDB provisions related to personnel, purchasing, and procurement for MSD, MSB, and MSDB. In implementing HB 667, new policies, procedures, and handbooks were developed and approved by the State Board of Education (SBE). MSDB registered with all required agencies and entities authorizing and allowing MSDB to conduct business as a school and as a district in educating students who are deaf, hard of hearing, blind, visually impaired, and deafblind across the state of Mississippi.

2. Scope of Services

The Mississippi Schools for the Deaf and the Blind (MSDB) is soliciting bids from qualified vendors to provide armed security guards with a minimum of Campus Enforcement Officer Certification (CEO) and preferred School Resource Officer Certification (SRO), but not required. If security guards are not currently SRO Certified, vendor agrees to send them to be trained for SRO Certification within six (6) months of effective contract date which begins July 1, 2023 through June 30, 2024.

At any time MSDB reserves the right to terminate the contractual agreement.
