2. Any bids received after the opening date or time shall be refused and marked "Late Bid" and returned to the bidder unopened. It is solely the responsibility of the bidder to ensure bids are received prior to the opening date and time.

The Bidder shall certify its acknowledgement of the addendum/clarification by noting in space provided on the Vendor Information & Agreement Form and returning it with their Unpriced Proposal.
10. The term of the bid will be for one (1) year beginning July 1, 2023 to June 30, 2024.

### **Qualification of Bidders**

Sealed bids will be evaluated by staff of the DeSoto County School District to assure compliance with the minimum specifications and requirements. Bids that do not comply with minimum specifications and requirements may be grounds for rejection of the Vendor's bid.

### **Cost-Proposal Form**

All pricing must be submitted on the official Bid Proposal Form and per specifications. Bidder must give not-to-exceed U.S. Educational Pricing (unit price) for each item listed in the official Bid Form. The bidder is expected to supply a standard price that does not vary based on quantity, frequency of order, or delivery location. The not-to-exceed Educational Unit Price shall be an all-inclusive cost for item, including basic freight charges, FOB Destination and inside delivery.

### **Scope of Work**

The DeSoto County School District is seeking sealed bids from authorized and qualified vendors to establish a source of supply purchase agreement between DeSoto County School District and a selected vendor to purchase Apple devices, software, services, and accessories meeting the DeSoto County School District standards. Vendors should bid as specified, with no alternates. Vendor shall warrant that the devices and other items shall be delivered new and not as a "used, substituted, rebuilt or reinstalled" product.

The DeSoto County School District has 44 instructional locations and 3 office buildings with over 3,500 employees and 35,000 students. All Apple products will be purchased on their behalf.

### **Term**

It is the intent of the DeSoto County School District for the term for this bid to begin July 1, 2023 and go through June 30, 2024. Total cost for all orders cannot exceed \$3,000,000 for the contract term.

### **Pricing for Orders**

The awarded line-item U.S. Educational Pricing shall not increase but may decrease during the life of the agreement. The bidder is expected to supply a standard price that does not vary based on quantity, frequency of the order, or delivery location. The not-to-exceed U.S. Educational unit pricing maybe decreased based on volume discounts.

### **Substitutes and Upgrades**

Substitutes: If technology changes causing components to no longer be available and/or the part number drops or changes, the awarded vendor is expected, within reason and in good faith, to offer an equivalent or better substitute at or below the original proposed price.

**Upgrades:** Mindful of the continual change and evolution of computer technology, the DeSoto County School District reserves the right to upgrade individual components of each system in order to accommodate said changes. The vendor shall agree to sell new and current state-of-the-art components to the DeSoto County School District under the same pricing method quoted in this bid. The DeSoto County School District must approve all substitutes or upgrades. The DeSoto County School District's unit pricing may be adjusted upward when the DeSoto County School District requests upgrades based on new technology. Minor price changes may be mutually agreed upon during the term of the bid only when approved by designated DeSoto County School District staff.

### **New Vendors**

A **New Vendor Packet** has been included for any bidder that has not previously worked with DeSoto County Schools. This bid packet includes a Vendor Registration Form and a Conflict-of-Interest Disclosure Form. The bidder shall complete the packet and submit along with any other required documents due with the Unpriced Proposal.

### **Protests**

Any protests shall be in writing and shall be submitted to the DeSoto County Schools Purchasing Manager, Grant Roberts, within five (5) days of bid submission due date.

### **Accounting Practices**

The DeSoto County School District requires that Purchase Orders be issued before any items are ordered or delivered. The DeSoto County School District shall not be responsible for any products delivered without an approved Purchase Order and/or without a signed acknowledgement of receipt by a District employee at time of delivery. The awarded bidder shall provide accurate, legible, and timely documentation, such as invoices, credits, and statements as requested by the District. The awarded bidder agrees to receiving payment within 45 days from date of receipt of a properly submitted invoice, or within 45 days after inspection and approval of the goods and/or services by DeSoto County Schools, whichever is later. In the event of a bona fide dispute, the awarded bidder agrees that DeSoto County Schools shall pay only the amount not in dispute, as per Miss. Code Ann. 31-7-305. The DeSoto County School District is exempt from sales and use tax. Exemption from sales tax is provided by statute of the law.

### **Budgetary/Funding Constraints**

The District reserves the right to reduce or increase the quantity or retract any item from the bid without any obligations or penalty based upon availability of funds.

### **Governing Law**

This agreement shall be governed by and construed in accordance with the laws of the State of Mississippi. The venue for the resolution of any dispute shall be DeSoto County, Mississippi. The bidder expressly agrees that under no circumstances shall the District be obligated to pay attorney fees or the cost associated with any legal action initiated by the bidder.

### **W-9 Form**

The DeSoto County School District requires the attached W-9 Form to be completed and included in your bid submission.
