

**ADVERTISEMENT FOR PROPOSALS
ENGINEERING SERVICES**

(Competitive Negotiation)

Grenada County, Mississippi, hereby requests proposals for engineering services in relation to its proposed Economic Development Administration project.

The project activities will include Infrastructure and Building Improvements to serve an industry.

The Scope of Work will consist of preparation of the Preliminary Engineering Report (PER); preparation of plans and specifications for advertisement of bids; evaluation of bids and recommendation of contract award; preparation of the contract in accordance with EDA guidelines; conducting pre-construction conference in coordination with project administrator; inspecting construction in progress; and advising the board of supervisors and the project administrator on contractor payments; and compliance with all EDA guidelines.

Those desiring consideration should submit qualifications by the time and date stated and must include the following:

1. Qualifications - List of qualifications of each staff person to be assigned to project.
2. Experience - Information regarding the experience of the firm. This information should include types of project activities undertaken.
3. Capacity for Performance - Identify the number and title of staff available to be assigned to provide services and capacity to perform the work within the time limitations.

All proposals will be rated on the following system to determine the best proposal: Description and Maximum Points: Qualifications - 35; Experience - 35; Capacity - 30; Total: 100 Points.

All proposals will be reviewed by a selection committee to include representatives from the Grenada County Economic Development District and the Grenada Area Chamber of Commerce and the Grenada County Board of Supervisors using the above selection criteria. Each member of the committee will assign points to each criterion based on the content of the proposal. Negotiations will be conducted to determine a mutually satisfactory contract first with the firm receiving the highest accumulated points, as rated by the committee. The selection committee will present its recommendations to the Grenada County Board of Supervisors.

Final award will be made to the responsible proposer whose proposal is determined to be the most advantageous to the county. Proposals should be in a sealed envelope marked "Engineering Proposal - Grenada County - EDA Economic Development Infrastructure Improvements." Proposals should be submitted to the Grenada County Chancery Clerk, P.O. Box 59 Grenada, Mississippi 38901, or delivered to the Grenada County Chancery Clerk's Office, 59 Green Street, Grenada, Mississippi, no later than 4:00 p.m. local time on February 23, 2024.

The County reserves the right to reject any and all proposals.
