American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term “iron and steel products” means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimis,
Minor Components,
Pig iron and direct reduced iron

Minority and women’s business enterprises are solicited to bid on this contract as prime contractors, and are encouraged to make inquiries regarding potential subcontracting opportunities and equipment, material, and/or supply needs.

Any contract or contracts awarded under this invitation for bids are expected to be funded in whole or in part by anticipated funds from the ARPA Rural Water Associations Infrastructure Grant (RWAIG). Neither the State of Mississippi, the Local Governments and Rural Water Systems Improvements Board, nor any of their employees is or will be a party to this invitation for bids or any resulting or related

contracts. This procurement will be subject to all applicable sections of the Mississippi Code of 1972, Annotated, as they apply to local governments, in accordance with RWAIG Program Regulations.

Based on the Assistance Listing: Coronavirus State and Local Fiscal Recovery Funds and Part 2 of the US Treasury State and Local Fiscal Recovery Funds Compliance and Reporting Guidance (v3.0 February 2022) (Compliance Guide), the following Uniform Guidance provisions will be required in all contracts:
