(1) During the performance of this contract, the contractor agrees as follows:

(a) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(c) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(d) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(e) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(f) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency

and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(g) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

**(B) Subcontracts.** The contractor shall insert in any subcontracts the clause above and such other clauses as the Department of Treasury may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

**(C) Breach.** A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

**(D) CONTRACT WORK HOURS AND SAFETY STANDARDS ACT.** As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

The contractor shall comply with all other applicable Contract Work Hours and Safety Standards Act regulations in 29 CFR Part 5 and shall insert appropriate provisions in all subcontracts covering work under this contract to ensure compliance by the Subcontractors with such regulations, and shall be responsible for the submission of affidavits required of Subcontractors thereunder except as the Secretary of Labor may specifically provide for variations of or exemptions from the requirements thereof.

Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph (F), in the sum of \$29 for each calendar day (or higher as provided by any subsequent federal regulations) on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub-paragraph (1) of this paragraph (F).

(3) **Withholding for unpaid wages and liquidated damages.** The Department of Treasury or the NEW ALBANY MAIN STREET ASSOCIATION shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) **Appeal of withholding for unpaid wages and liquidated damages.** Any contractor aggrieved by the withholding of liquidated damages shall have the right to appeal to the Secretary of the Treasury or her designee. Any appeal shall be pursuant to the requirements and/or procedures contained in 29 CFR Part 3 or any other applicable regulations.

If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to NEW ALBANY MAIN STREET ASSOCIATION the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. Contractor further agrees that the requirements of this subsection must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of this subsection: (1) "produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States; and (2) "manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

Contractor agrees to maintain records of such compliance and, upon request of the State, to provide a copy of each such verification to the State. For purposes of this subsection, the contractor is authorized to employ Mississippi residents to begin work immediately, and such

persons are to be verified by the Mississippi Department of Employment Security after employment by the contractor. During the ten-day period the Mississippi Department of Employment Security shall submit qualified individuals to the contractor to consider for the vacant positions. The contractor shall review the individuals submitted by the department before hiring individuals who are not submitted by the department. The contract award shall be vacated if the contractor fails to comply with the provisions of this subsection.

All financial information and data relevant to this contract or any work performed thereto shall be compiled and maintained in accordance generally accepted accounting principles and practices consistently applied in effect on the date of execution of this contract or any subcontract thereunder. The contractor shall also maintain the financial information and data used in the preparation or support of any cost submission for any negotiated subcontract or change order and a copy of the cost summary submitted to the NEW ALBANY MAIN STREET ASSOCIATION.

(P) **ACCESS TO RECORDS.**

(1) Contractor agrees to allow the NEW ALBANY MAIN STREET ASSOCIATION, the U.S. Department of Treasury, the Comptroller General of the United States, and any of their duly authorized representatives access to any books, documents, papers, and records of the contractor which are directly pertinent to the Contract or the Coronavirus State Fiscal Recovery Fund and the Coronavirus State and Local Fiscal Recovery Fund established under the American Rescue Plan Act for the purpose of making audits, examinations, excerpts, and transcriptions. - (T) **CHANGES**
- (1) **Standard.** To be eligible for assistance under the NEW ALBANY MAIN STREET ASSOCIATION federal award, grant or cooperative agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope.
- (2) **Applicability.** Treasury recommends, therefore, that NEW ALBANY MAIN STREET ASSOCIATION include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.
- (U) **DEPARTMENT OF TREASURY SEAL, LOGO, AND FLAGS.** The contractor shall not use the Department of Treasury seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific Treasury's pre-approval.
