logiflex

The March 17, 2017 revision of the Level price list presents these principal modifications:

DATE	SECTION	MODIFICATION
March 17, 2017	Appendix A: Colors and Finishes	• Door insert color PW has been removed; • Removal of 2 colors, Misty (MI) and Coral (CR); • Addition of 4 colors to the 1-5/8" thickness, Legno Dark (DL), Audacity (AU), Storm, (STA) and Haze (HAA).
	Desks	• Drill hole option for desks added for single hutches option.
	Desk Supports	• High gloss fronts offered on DR (drawer fronts).
	Floor Storage	• High Pedestal pages have been moved to after the Mobile Pedestals and Sliding-Surface Pedestals sections due to the positioning of the Product Map.
	Glass doors	• Color glass KB, KS, KR, KF, KE, KO, KL, and KM are all offered at the same price as the V4 glass.
	Wardrobe Towers	• EM option has been removed for these products : VL, VL (VS), VR, VR (VS), UN05L, UN05L (VS), UN05R and UN05R (VS).
	Bookcases	• Bookcases BBLs have been removed from Storage Towers category and given their own tab called Bookcases.
	Hutches	• Addition of the Single Hutches : called Desk Hutches and Storage Hutches (as opposed to Shared Desk Hutches and Shared Storage Hutches); • Pre-drilled holes have been removed from the manufacturing standards for all wall hutches and have been replaced with the the DVD option: pre-drilled holes including a set of 3 wire dividers; • The SFW wall hutch with sliding door does not offer the DVD option.
	Accessories	• The DEL20 price changed to \$167; • Electricity accessories section has been expanded to include new products : 84AA poser block, 8420AP1 starter cable with plug, 84SB1 New York starter cable, LMWM and SMWM wire management troughs; • Price error for CAPF corrected from \$7 to \$20; • Grommet added : CCPF and is now the standard grommet; • Handles H051 and H052 prices changed to \$11 each; • 6 new computer monitor brackets and a grommet mount option were added; • Interact INT addition of hard wire HW.

Introduction

*Beautiful finish. Bold, sleek design.
100% North American-built furniture made with
quality materials and environmentally conscious practices.
With its delicate lines, the new Level furniture series
sets a new standard in contemporary office furnishing.*

*Derived from a union between furniture designers
and an upscale Quebec manufacturer,
the Level series is a fresh look at commercial furnishings:
contemporary, sustainable, innovative and extraordinary.*

Conditions of Sale

Prices

The amounts listed in this document are suggested retail prices and may be changed without notice. Applicable taxes are not included. If you have an open and active account with Logiflex, merchandise will be invoiced at the prices prevailing at the time of shipment. A deposit may be requested if the opening of your account has not been completed or if your account has become inactive.

Terms of Payment

Net 30 days F.O.B. Sherbrooke, Quebec. The invoice will be assigned the shipping date and is payable 30 days from that date. Logiflex remains the owner of the merchandise until the invoice is paid in full.

Customized Products (Special Items)

Price requests for customized products or special items can be submitted via the “[Online Services](#)” section of our website, at www.logiflex.ca. Our quotations department will study your request and send you a quotation and a technical drawing for approval as soon as possible. Modifications to quotations or technical drawings can be requested the same way. The approved quotation(s) and technical drawing(s) can then be attached to your purchase order.

Orders

An official purchase order must be issued for all purchases. Your purchase order must contain the following information:

- Your company letterhead
- Your reference number
- The delivery address (with contact name and phone number)
- The complete product codes
- Furniture colour(s)
- Quantities
- Descriptions
- Retail prices and net prices
- Project registration number (if applicable), and your approved quotation and technical drawing (for special items).

Please note that a quotation cannot serve as a purchase order.

Returns

All returns must first be approved by Logiflex. If the return is accepted, a Logiflex customer service representative will send you an official return authorization form in order to facilitate procedures between you, the carrier, and the Logiflex merchandise reception clerk. Additional costs for shipping or other expenses may be applied following any merchandise returns.

Modifications and/or Cancellations

You have 24 hours from the time we acknowledge receipt of your order to make any requests for corrections or modifications. You may cancel your order during this same 24-hour period. If you would like to modify or cancel your order after this 24-hour verification period, please check with a Logiflex customer service representative. Orders cannot be changed or cancelled if production has already begun or if Logiflex has already received the raw materials.

Liability

Logiflex's liability ends once the carrier has delivered all items in good condition. A delivery receipt signed by the customer acknowledges that the shipment is complete and has been received in good condition.

Claims

Logiflex recommends inspecting the shipment before signing the carrier's delivery receipt. You must notify Logiflex of any incomplete shipments or damaged furniture as soon as possible. Requests to replace damaged products can be made via the “[Online Services](#)” section of our website, at www.logiflex.ca. Our after-sales service department will examine your request and help you correct the situation.

Changes

Logiflex reserves the right to make changes to the materials, accessories, components, specifications and designs, and to discontinue collections and/or models, at any time and without prior notice.

Storage and/or Shipping Fees

If you would like to delay the delivery of an order already in production at Logiflex, weekly storage fees may be charged. The suggested retail prices in this list may include delivery; however, some conditions may apply. If your order is a minimum of \$10,000 net, the order can be shipped directly to your customer. In this case, a 53-foot unloading dock must be available at the time of delivery. This information must first be validated with your Logiflex customer service representative. Direct shipping is subject to additional fees. Any delay experienced by Logiflex carriers during delivery may also result in additional charges.

Conditions of Sale (continued)

Warranty

Logiflex guarantees to the original purchaser that Logiflex products are free from defects in design, materials and workmanship for the products' lifetime. Effective as of the date invoiced to the distributor, the warranty is valid only for products bought new from an authorized Logiflex distributor and as long as the original purchaser owns the products. The warranty period will be reduced proportionately if the products are used over a period exceeding the equivalent of a shift of 40 hours/week.

This warranty applies only to normal use of the product and is limited to the repair or replacement of said product at Logiflex's discretion. All replacement parts will be shipped to the original shipping address. Transportation and labor are not covered by this warranty. By accepting the product at its delivery, the buyer accepts these conditions.

Limited Lifetime Warranty: Access, Knockout, Level, Logilife, Manhattan, Millenium, Réception et Tables (Conference, Occasional, Multimedia)

5 Year Warranty: Academic and Soft Seating

10 Year Warranty: Chairs

This warranty does not apply to defects or damages resulting from:

- Normal wear and tear occurring with the use of the product;
- Negligence, misuse, abuse or accident;
- Substitution, modification, transformation, repair, renovation or use of components or materials that have not been authorized by Logiflex;
- Renting to a third party;
- Natural properties of materials;
- For leather products: normal defects in leather such as: scars, marks or difference in stain within a leather skin or between different skins;
- Exposure to sunlight or environments with extreme temperature/humidity conditions;
- Damage caused by a carrier in transit, or delivery/ installation contractors.

This warranty does not include:

- Parts and materials supplied by the customer (COM);
- Special finishes applied to Logiflex products;
- The matching of colors, grains or textures of wood due to its natural properties;
- Non-standard Logiflex products;
- Logiflex product not installed or used in accordance with the Logiflex installation guidelines;
- Bulbs and ballasts.

Restrictions:

- 1 year warranty on electrical components;
- 5 year warranty on seat mechanisms, drawer slides and locks;
- 5 year warranty on urethane parts;
- 5 year warranty on upholstery and casters

Manufacturing Standards

Knocked Down Furniture

Desks are delivered knocked down.

Top

Workstation worksurfaces are 1" thick.

Handles

Handles are included for all furniture items with doors or drawers, with the exception of wall cabinet units. The standard handle for laminate drawers and doors is H052CHR, but it is possible to specify an different handle model, at no extra charge. See [Accessories on p. 236](#) for further details of the available handles. The standard handle for glass doors with aluminum frames is an aluminum handle built into the door.

Grommet

Grommet is included, except for rectangular and layering primary desks. The grommet is the CCPF. See [Appx. B](#) for further details.

Locks

Locks are optional, except for mobile pedestals, and come with a satin nickel finish. See [Accessories on p. 236](#) for further details.

Drawers

All drawer interiors are constructed of 7/16" black panels and all drawer bottoms are made of 1/8" masonite panels.

Wood grain

Wood grain is vertically matched for all furniture fronts. See [Appx. F](#) for further details.

Levelers

All floor furniture sits on white nylon levelers.

Modesty panels

Modesty panels are optional, except for double desks, desks without metal legs and with at least one laminate leg. See [Appx. D](#) for further details on modesty panels.

Fronts

Fronts hide the surface for all storage units and towers. For all pedestal storage units and credenzas, the surface has a 5/8" lip and the furniture fronts are positioned under the surface.

Finishes

The metal legs and handles have a standard chrome finish. It is possible to specify another finish. See [Appx. A](#) for further details on the available metal finishes.

Support bar

The support bar is centered at 12" to the visitor side of the top when its included (see the Manufacturing Standards of the desk). Subtract 13-1/2" to the total dept of the desk to know the clearance on the user side under the top.

Appendix C: Pedestal Cushion

Application

Left cushion (CL) on a high pedestal (UN02L)

1-1/2" thick cushion with stitching on its perimeter and seam at the four corners.

Availability

Available on all:

- High pedestals
- Low pedestals
- Mobile pedestals

Position

Attention: Specify cushion code along with its base storage to ensure the right dimensioning.

Upholstery Specification

Logiflex offers two options for upholstery specification:

Option 1 :	Customers may specify an upholstery from any supplier. Logiflex will then confirm upholstery grade and seat cost.
Option 2 :	Customers may select and purchase upholstery of their choice and ship upholstery to Logiflex (COM).

See next page for further details on these options).

Appendix C: Pedestal Cushion (continued)

Option 1 : Specified Upholstery

Customers may consult websites of our principal suppliers to visualize their complete product range. It is then possible to consult the graded-in list available on Logiflex.ca to be informed of the appropriate Logiflex grade.

Website of the upholstery supplier gives essential information to the maintenance, availability, quality and performance of the selected upholstery. In all cases, the upholstery supplier's warranty will apply.

Information to provide with the order:

Customer name
Purchase order number
Upholstery supplier name
Pattern name/number
Color name/number
Number of yards to order

Principal suppliers:

<i>Momentum Textiles</i>	<i>themomgroup.com</i>
<i>J.Ennis Fabrics</i>	<i>jennnisfabrics.com</i>
<i>Maharam</i>	<i>maharam.com</i>
<i>DesignTex</i>	<i>designtex</i>
<i>Mayer Fabrics</i>	<i>mayerfabrics.com</i>

Option 2 : Customer's Own Material (COM)

Logiflex offers the option of providing your upholstery. The price will be based on the cushion grade 1. The upholstery must be received three weeks prior to the acknowledged ship date. Delay in COM receiving may cause shipment to be delayed.

Customers have the option to provide Logiflex with a sample for approval prior the order. If no sample is sent for approval in advance, Logiflex is not responsible of any cost caused by unsuitable upholstery for the product or the production process. Furthermore, Logiflex reserves the right to refuse any upholstery that does not meet Logiflex selection criteria.

COM must be delivered to the Logiflex factory with freight and duties paid. All charges to COM acquisition on the customer's behalf will be passed onto the customer.

Logiflex does not assume responsibility for upholstery availability, quality, performance or appearance, the Logiflex warranty excludes customer's own materials.

The following information must be included with the COM upholstery delivery and be communicated to the account manager along with the purchase order:

Customer name
Purchase order number
Upholstery supplier name
Pattern name/number
Color name/number
Number of yards delivered

Shipping adress:

Logiflex
Attn: Receiver
1235 St-Roch North Road
Sherbrooke Quebec
Canada J1N 0H2

No recess for:

- Returns
- Secondary desks
- Bridges

Appendix E: Wood Grain

Wood grain is vertically matched for all furniture fronts. See image below for wood grain direction placements.

Appendix F: Utility and File Drawers

Utility Drawers

30" and 36" wide utility drawers have standard built-in dividers.

Top View

Top View

File Drawers

File drawers can receive either legal and letter formats. Please refer to the illustration below.

Legal format

Letter format

(1 suspension bar included, see [p. 236](#))

Lateral File Drawers

Legal and Letter formats

Appendix G: Layering Desk Supports

Layering desks may be supported by different pieces of furniture such as 27" high secondary desks, as well as 25" high storage pedestals. Four types of support devices are offered. Four types of supports are offered in the same finish as the surface.

Application examples

B1

1" thick support device to be used with 27"H secondary desks

B3

3" thick support device to be used with 25"H storage pedestals

PG

3" thick pigeon hole unit to be used with 25"H storage pedestals

DR

3" thick drawer unit to be used with 25"H storage pedestals

Appendix H: Hutch Applications

P

Desk Application

To apply a hutch on an applicable work surface indicate "P" in the order line.

P

High Pedestal Application

To apply a hutch on a high pedestal application indicate "P" in the order line.

E

Layering Desk Application

On a layering desk, a cutout can be made by indicating "E" in the order line.

***Note:** When ordering a divider screen that is between two metal legs, the total length is 4" shorter than the length of the desk surface because of the width of the legs.

Appendix J: Storage Unit Electrical Wire Management Solutions

Electricity for Floor Storage

The high pedestal construction can be adapted to accommodate different electrical configurations of work stations.

EM
Wall Power

- Back recessed by 2" to clear wall outlets;
- WAV grommet in the base of the unit to pass cables.

EH
Concealed Power

- Full back;
- 2-1/2" round grommet on the top of the unit;
- Removable panel at the back of bookcase or open sections to access cables from the front of the unit;
- 2-1/2" round grommet in the base of the unit, on the left and right;
- Half-round grommet at the top and bottom of each division panel between each section of the unit.

EC
Central Power

- Open back;
- 2-1/2" round grommet on the top of the unit;
- Removable panel at the back of storage space to access cables from the front of the unit;
- 2-1/2" round grommet in the base of the unit, on the left and right;
- Half-round grommet at the top and bottom of each division panel between each section of the unit.

Manufacturing Standards

- 1 open section and 1 closed section with 2 sliding doors;
- Chrome-finish H051 metal handles on 11" high hutch doors and H052 on 15" high hutch doors;
- 20" high chrome-finish metal legs for hutch;
- Vertical wood grain on front.

Note: When ordering a divider screen that is between two metal legs, the total length is 4" shorter than the length of the desk surface because of the width of the legs. The screen lengths in the adjacent 'Options' price tables have already been adjusted to fit the hutches offered on this page.

Specify if different handle desired (no extra charge, see p. 236).

See Appendix A for the metal finishes available (no extra charge).
