## Conditions of Sale

### Prices

The amounts listed in this document are suggested retail prices and may be changed without notice. Applicable taxes are not included. If you have an open and active account with Logiflex, merchandise will be invoiced at the prices prevailing at the time of shipment. A deposit may be requested if the opening of your account has not been completed or if your account has become inactive.

### Terms of Payment

Net 30 days F.O.B. Sherbrooke, Quebec. The invoice will be assigned the shipping date and is payable 30 days from that date. Logiflex remains the owner of the merchandise until the invoice is paid in full.

### Customized Products (Special Items)

Price requests for customized products or special items can be submitted via the “[Online Services](#)” section of our website, at [www.logiflex.ca](http://www.logiflex.ca). Our quotations department will study your request and send you a quotation and a technical drawing for approval as soon as possible. Modifications to quotations or technical drawings can be requested the same way. The approved quotation(s) and technical drawing(s) can then be attached to your purchase order.

### Orders

An official purchase order must be issued for all purchases. Your purchase order must contain the following information:

- Your company letterhead
- Your reference number
- The delivery address (with contact name and phone number)
- The complete product codes
- Furniture colour(s)
- Quantities
- Descriptions
- Retail prices and net prices
- Project registration number (if applicable), and your approved quotation and technical drawing (for special items).

Please note that a quotation cannot serve as a purchase order.

### Returns

All returns must first be approved by Logiflex. If the return is accepted, a Logiflex customer service representative will send you an official return authorization form in order to facilitate procedures between you, the carrier, and the Logiflex merchandise reception clerk. Additional costs for shipping or other expenses may be applied following any merchandise returns.

### Modifications and/or Cancellations

You have 24 hours from the time we acknowledge receipt of your order to make any requests for corrections or modifications. You may cancel your order during this same 24-hour period. If you would like to modify or cancel your order after this 24-hour verification period, please check with a Logiflex customer service representative. Orders cannot be changed or cancelled if production has already begun or if Logiflex has already received the raw materials.

### Liability

Logiflex’s liability ends once the carrier has delivered all items in good condition. A delivery receipt signed by the customer acknowledges that the shipment is complete and has been received in good condition.

### Claims

Logiflex recommends inspecting the shipment before signing the carrier’s delivery receipt. You must notify Logiflex of any incomplete shipments or damaged furniture as soon as possible. Requests to replace damaged products can be made via the “[Online Services](#)” section of our website, at [www.logiflex.ca](http://www.logiflex.ca). Our after-sales service department will examine your request and help you correct the situation.

### Changes

Logiflex reserves the right to make changes to the materials, accessories, components, specifications and designs, and to discontinue collections and/or models, at any time and without prior notice.

### Storage and/or Shipping Fees

If you would like to delay the delivery of an order already in production at Logiflex, weekly storage fees may be charged. The suggested retail prices in this list may include delivery; however, some conditions may apply. If your order is a minimum of \$10,000 net, the order can be shipped directly to your customer. In this case, a 53-foot unloading dock must be available at the time of delivery. This information must first be validated with your Logiflex customer service representative. Direct shipping is subject to additional fees. Any delay experienced by Logiflex carriers during delivery may also result in additional charges.

### Items Delivered Disassembled

All the collaboration tables are delivered disassembled.
