INNOVATION ENGINEERED

With every Senator design comes a great deal of thought. The design process begins way before pencil reaches paper, beginning with looking at you. We look at how you sit, reach, move and work to create a design which not only looks beautiful, but is a pleasure to use too.

Behind every Senator product is a fusion of intelligent thinking and innovative engineering to create products which support people whether they're focusing, collaborating, presenting or organizing.

A PRICE LIST DESIGNED TO ASSIST YOU

PRODUCT INTRODUCTION

At the beginning of each product range you will find a Statement of Line designed to guide you through the range vocabulary, introduce you to the models available including codes and size options.

The product detail section offers guidance on more complicated areas including electrical options.

SPECIFY

Pricing information pages are to help you specify and price your chosen product.

- 1. Think through the configuration of table you require
- 2. Select the codes of the individual items you need to achieve your configuration.
- 3. Choose finishes where appropriate: top finishes / frame color / fabric color / acrylic color.

When ordering please ensure that you send us all this information so we can correctly fulfill your requirements.

FIXED HEIGHT

Chemistry is a range of workstations designed to facilitate flexibility and diversity demanded by modern working environments. Twin beam design provides the modular bench system with additional rigidity for a well-supported work surface. Chemistry Fixed Height workstations are ordered as starter or as add on desks, available in stand alone, in-line or back to back configurations with a choice of leg styles, either goal post or 'O' legs.

Chemistry Fixed Height

Standard Features

- 2" square Steel tube legs with seamless mitred corners
- 1/4" shadow gap between top and frame
- Universally sized Steel dual crossrails
- Adjustable leveling feet
- Scalloped cable access
- 1" TFL rectangular tops or 1" TFL 120° tops

Specifiable Features

- In-line or back to back frames

Optional Features

- Rectangular desk end meeting tops
- Desk end storage
- Rectangular returns
- Universal screens
- Height adjustable blocks for fixed desk
- Modesty panels
- Hinged cable trays
- Single cable riser, mid leg cable riser, and double cable risers.

Optional Accessories

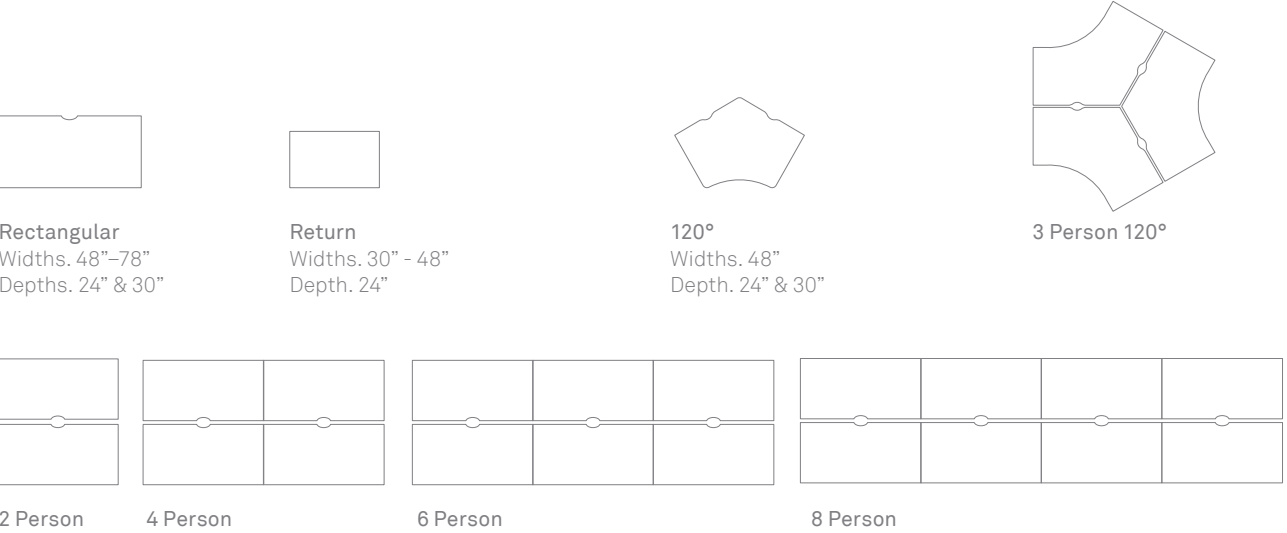

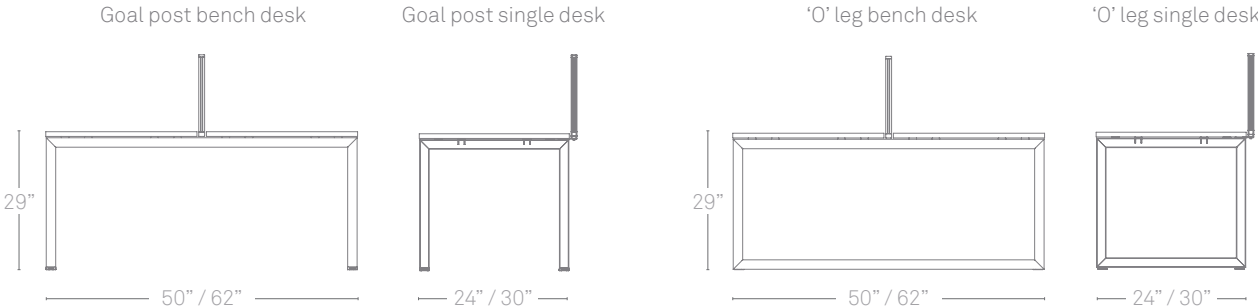

- Monitor arms
- PU Desk accessories
- Desk top accessories
- CPU holders
- Electrical accessories

Performance Standards

Designed to conform to and where applicable is tested to the following standards:

- BIFMA X5.5 x2014
- SCS-EC10.3-2014 v. 3.0 Indoor Advantage Gold

Chemistry Back to Back Fixed Height Bench – Product Detail

Starter Desk

Back to back benches are created by connecting an add on desk to a starter desk. You are able to link as many add on desks as necessary to complete your configuration.

Add on Desk

End Leg
A starter desk is comprised of (2) end legs, (4) beams, (2) work surfaces with scallops and all corresponding hardware and plastic components.

Beams
An add on desk is comprised of (1) mid leg, (4) beams, (2) work surfaces with scallop and all corresponding hardware and plastic components.

Mid Leg
To link an add on desk to a starter desk (1) end leg from the starter desk is moved to the end of the run and the mid leg is placed in between.

Bench with Cable Management

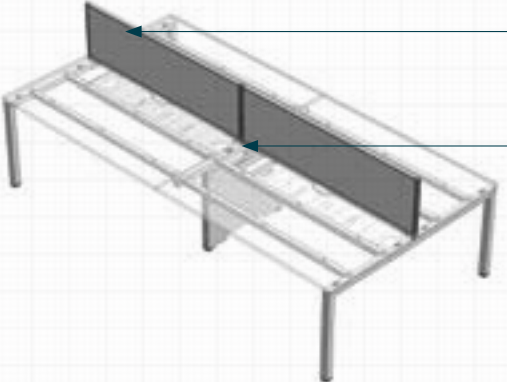

Double Cable Riser
The end leg vertical riser is used when power is fed from the end of the desk. The riser is bolted to the underside of the double cable tray.

Cable Tray
Cable trays are available to manage power options. (1) double sided cable tray is needed per starter desk and every additional add on desk.

Mid Leg Riser
The mid leg cable riser is used when power is fed from the center of the desk. The riser attaches around the mid leg and hooks in place.

Bench with Screens

Desk Mounted Screens
Screens are available to separate desks to allow for more privacy. The screen is available in standard frame, or with a single tool rail.

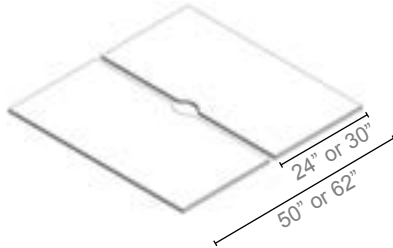

Back to back bench screen fixing bracket pack
Comprising of two brackets (Desk mounted screens only)

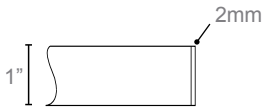

Please note screen brackets required are CHFBKT2

Work Surfaces

On back to back benches two tops are supplied.
Back to back configurations will result in 50"/62" overall depths due to the 2" central gap for cable access.

Chemistry tops are available in 24" or 30" depths and lengths of 48", 54", 60", 66", 72", and 78".
Tops are available in TFL with a scallop in the back for cable access.
TFL tops have a 2mm laser edge band all round.

Framework

Goal post end Legs
End Legs are 50" or 62" wide. Each End leg has spigots protruding from the frame to allow the beams to be bolted into place. Adjustable feet come standard.

Goal post leg returns
Chemistry returns attach to the desk framework to add additional work space. They are available at a depth of 24" and at lengths of 30", 36", 42", and 48".

'O' leg end legs
End Legs are 50" or 62" wide. Each End leg has spigots protruding from the frame to allow the beams to be bolted into place. Adjustable feet come standard.

'O' leg returns
Chemistry returns attach to the desk framework to add additional work space. They are available at a depth of 24" and at lengths of 30", 36", 42", and 48".

Framework

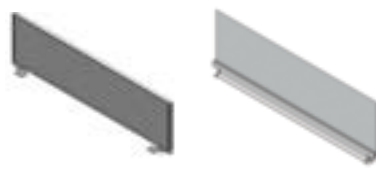

Mid Legs
Mid legs are used to connect starter desks and add on desks. They have double sided spigots to attach beams to both sides and come with adjustable feet as standard.

Beams
Beams are metal box tubes used to connect the legs together. They bolt at each end to the spigots and also through to the top. Beams come in lengths of 48", 54", 60", 66", 72", and 78".

Screens

Available to provide more privacy and hang accessories. The screens are attached at the back of the desk underneath the top. Fabric, TFL, glass, and acrylic screen options are available. Screens also come in desk end and floor standing configurations.

Cable Management

Double Cable Trays
Cable trays hang between the beams of the desk on brackets. These allow for the power blocks to be attached directly to the cable tray and house the loose cables.

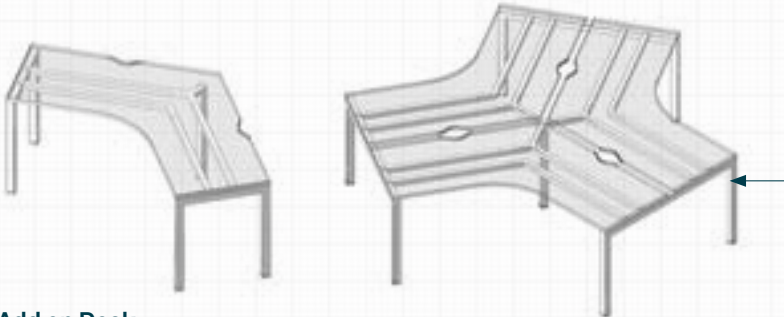

Double Cable Risers
End leg cable risers are used with cable trays and attached to the end of the tray.
Allows power cables to be taken neatly up from the floor.

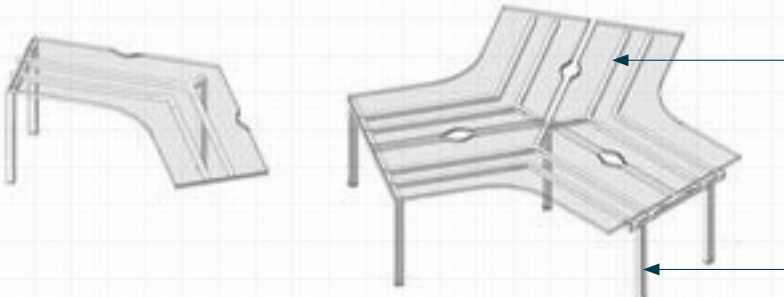

Mid Leg Cable Riser
When a mid leg is used an optional mid leg cable riser is available to transfer cables up to the center of the bench.
This is clamped around each side of the mid leg to hide all cables inside.

Chemistry 120° Fixed Height – Product Detail

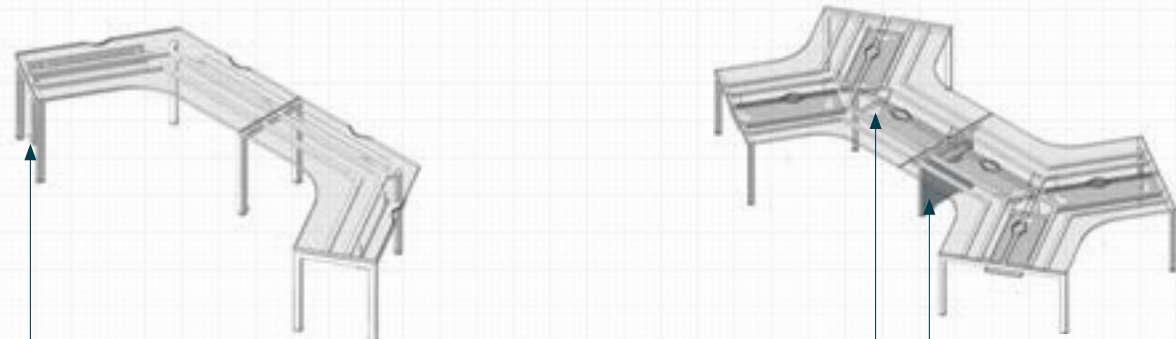

Starter Desk

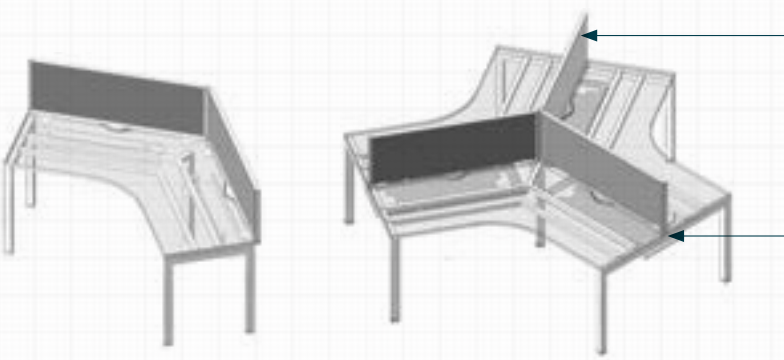

Add on Desk

Cable Management

Bench with Screens

Both single desks and back to back benches are created by connecting an add on desk to a starter desk. You are able to link as many add on desks as necessary to complete your configuration.

End Leg
Single starter desks are comprised of (2) end legs, (1) post leg, (4) beams, (1) work surface with scallops, and all corresponding hardware and plastic components.
Back to back starter desks are comprised of (3) end legs, (1) post leg, (12) beams, (3) work surface with scallops, and all corresponding hardware and plastic components.

Beams
Single add on desks are comprised of (1) mid leg, (1) post leg, (4) beams, (1) work surface with scallops and all corresponding hardware and plastic components.
Back to back add on desks are comprised of (1) mid leg, (1) end leg, (1) post leg, (12) beams, (3) work surfaces with scallops and all corresponding hardware and plastic components.

Mid Leg
To link an add on desk to a starter desk (1) end leg from the starter desk is moved to the end of the run and the mid leg is placed in between.

Cable Riser
The end leg vertical riser is used when power is fed from the end of the desk. The riser is bolted to the underside of the cable tray.

Cable Tray
Cable trays are available to manage power options. (3) double sided cable trays are needed per back to back starter desk and every additional add on desk.

Mid Leg Riser
The mid leg cable riser is used when power is fed from the center of the desk. The riser attaches around the mid leg and hooks in place.

Desk Mounted Screens
Screens are available to separate desks to allow for more privacy. The screen is available in standard frame, or with a single tool rail.

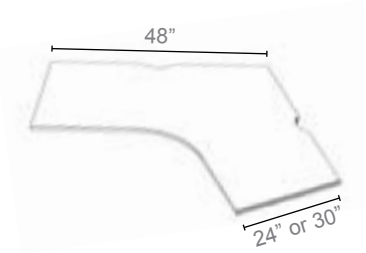

Screen fixing bracket pack
Comprising of two brackets (Desk mounted screens only)
Single desks require CHFBKT1
Back to back desks require CHFBKT2

Work Surfaces

On 120 degree single desks, one top is supplied. For back to back benches, three tops are supplied.

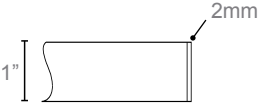

Back to back configurations will result in 50"/62" overall depths due to the 2" central gap for cable access.

Chemistry 120 degree tops are available in 24" or 30" depths and come with a 48" length.

Tops are available in TFL with two scallops in the back for cable access.

TFL tops have a 2mm laser edge band all round.

Framework

Goal post end Legs
End Legs are 24" or 30" wide on single desks, and 50" or 62" wide on back to back desks. Each End leg has spigots protruding from the frame to allow the beams to be bolted into place. Adjustable feet come standard.

'O' leg end legs
End Legs are 24" or 30" wide on single desks, and 50" or 62" wide on back to back desks. Each End leg has spigots protruding from the frame to allow the beams to be bolted into place. Adjustable feet come standard.

Framework

Mid Legs
Mid legs are used to connect starter desks and add on desks. They have double sided spigots to attach beams to both sides and come with adjustable feet as standard.

Beams
Beams are metal box tubes used to connect the legs together. They bolt at each end to the spigots and also through to the top.

Screens

Available to provide more privacy and hang accessories. The screens are attached at the back of the desk underneath the top.

Fabric, TFL, and acrylic screen options are available on single desks and back to back benches. Screens also come in desk end and floor standing configurations. One 3 way linking post is recommended with each single or back to back desk when screens are specified.

Cable Management

Cable Trays
Cable trays hang between the beams of the desk on brackets. These allow for the power blocks to be attached directly to the cable tray and house the loose cables.

On a single 120 degree desk, please specify two 39" single cable trays. If ordering a 120 degree back to back desk, please specify three 48" double cable trays.

Cable Risers
End leg cable risers are used with cable trays and attached to the end of the tray.

Allows power cables to be taken neatly up from the floor.

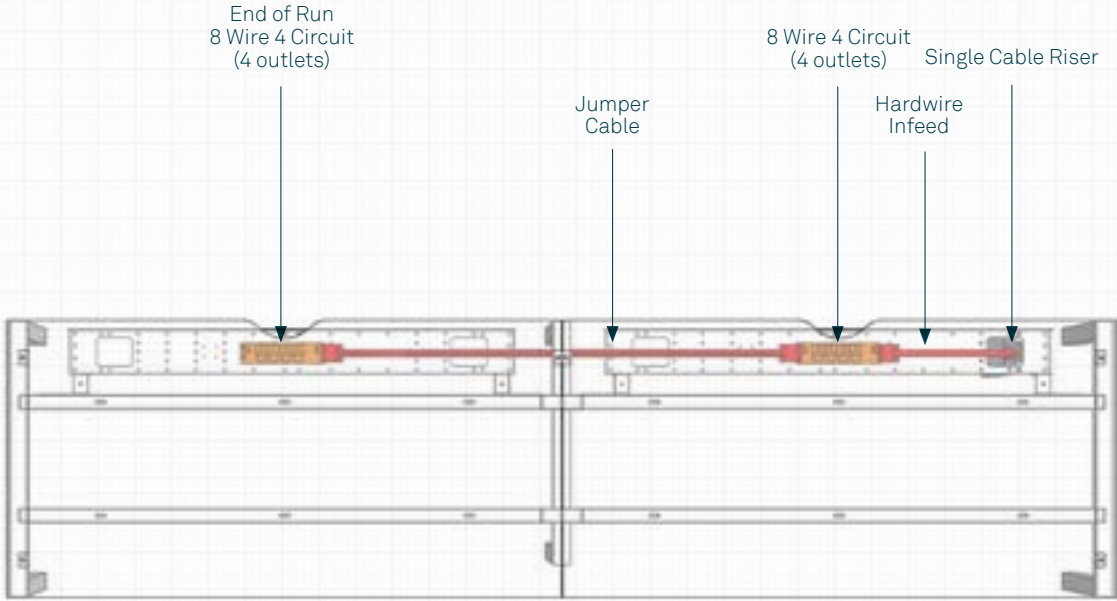

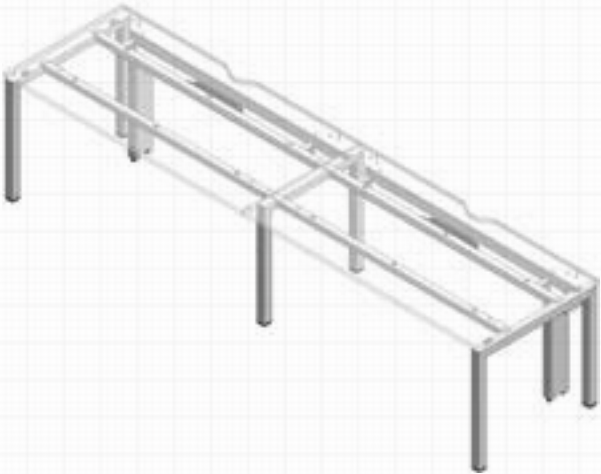

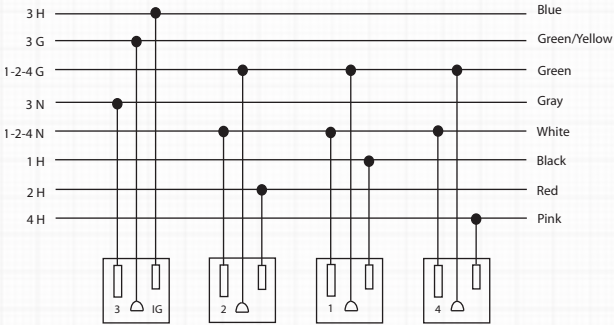

Mid Leg Cable Riser
On back to back benches when a mid leg is used, an optional mid leg cable riser is available to transfer cables up to the center of the bench. This is clamped around each side of the mid leg to hide all cables inside.

MEETING TABLES

Chemistry meeting tables share the same frame as Chemistry workstations for consistent design aesthetics. Designed as a response to the demand for workspaces that are flexible and collaborative, Chemistry meeting tables are efficient and streamlined, creating an atmosphere that can be both formal and informal.

Meeting Tables

Standard Features

- 2" square Steel tube legs with mitred corners
- 1/4" shadow gap between top and frame
- Universally sized Steel dual crossrails
- Leveling feet
- 1" TFL rectangular tops

Optional Features

- Desk extensions*
- Storage boxes*
- Cable trays and risers*

Performance Standards

Designed to conform to and where applicable is tested to the following standards:

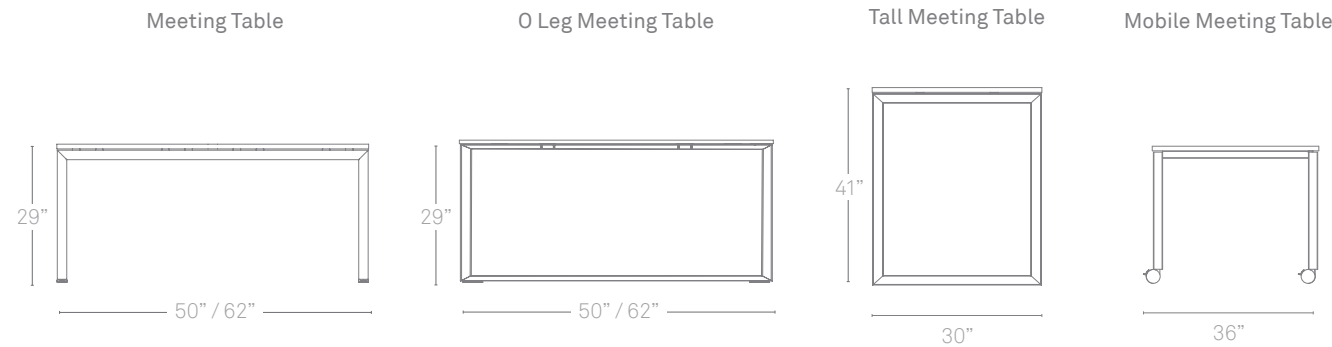

- BIFMA X5.5 x2014
- SCS-EC10.3-2014 v. 3.0 Indoor Advantage Gold

Specifiable Features

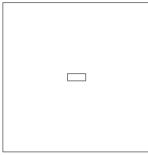

- In-desk power modules*

(*Select models only)

Chemistry Meeting Tables with Goal Post Leg – Product Detail

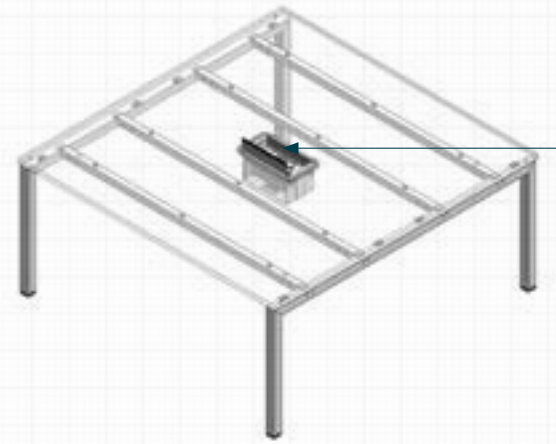

50" or 62" Meeting Table

50" or 62" Meeting Table

Large meeting tables comprise of (2) end legs, (4) beams and (1) work surface.

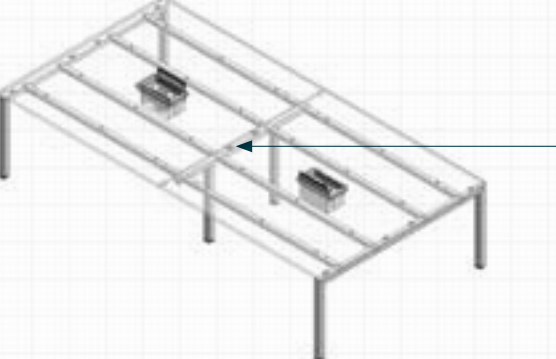

50" or 62" Meeting Table with Power

50" or 62" Meeting Table with Power

Large meeting tables comprise of (2) end legs, (4) beams and (1) work surface.
Optional In desk power modules can be ordered with (4) power and (3) data, or (2) power and (2) USB charging.
Optional In desk power modules can be ordered with a 108" power cord with 3 prong plug, or daisy chained together with a hardwire infeed and jumper cable.

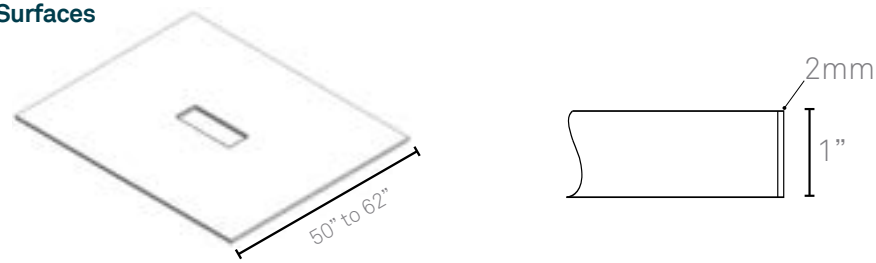

50" or 62" Meeting Table with Mid Leg

Mid Leg Meeting Table

Similar to Chemistry desking, meeting tables can be connected using a mid leg. You can link as many tables as necessary to complete your configuration.

Work Surfaces

Chemistry meeting table tops are available in 50", and 62" depths and lengths of 50", 60", 66", 72", and 78".
Tops are available in TFL and can be cut to take optional power units.
TFL tops have a 2mm edge band all round.

Framework

End Legs

End legs are 50" or 62" wide.
Each end leg has spigots protruding from the frame to allow the beams to be bolted into place.
Adjustable feet come standard.

Mid Legs

Mid legs are used to connect starter desks and add on desks. They have double sided spigots to attach beams to both sides and come with adjustable feet as standard.

Beams

Beams are Steel box tubes used to connect the legs together. They bolt at each end to the spigots and also through to the top.
Beams come in lengths of 50", 60", 66", 72", and 78".

Cable Management

Double Cable Riser

Mid Leg Cable Riser

A Double cable riser or Mid leg cable riser is available to transport power from the ground up to the underside of the optional power modules.

ANCILLARY TABLES

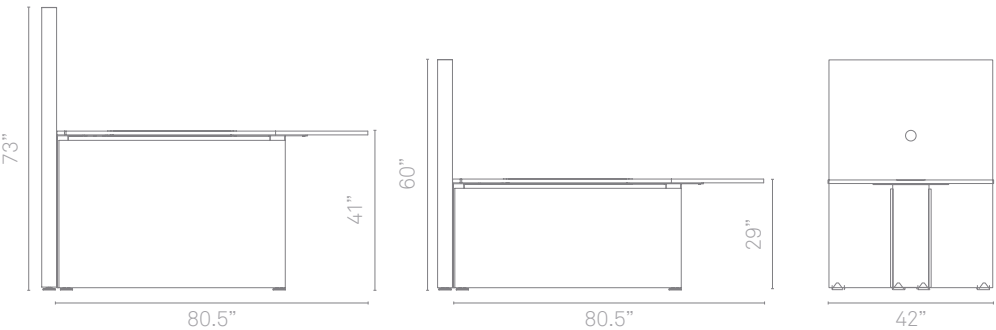

Ancillary tables were designed to create versatile meeting spaces where storage and collaboration come together. Spaces where multiple individuals could gather and discuss ideas while having access to power, resources, and media for a more effective workflow.

Chemistry Ancillary Tables

AV Media Table

- Standard Features**
 - Available in 29" and 41" height
 - In-work surface power includes: 4x power, 4x powered USB, 4x HDMI ShowMe cables for transfer of laptop data to main display
 - Fabricated tubular steel support structure with TFL cladding and removable access panel
 - Optional dry wipe to rear of media panel
- 4" thick media mounting display panel, with cable routing
 - TFL Top panel with integrated power unit
- Optional Accessories**
 - Whiteboard on rear media panel

Dimensions

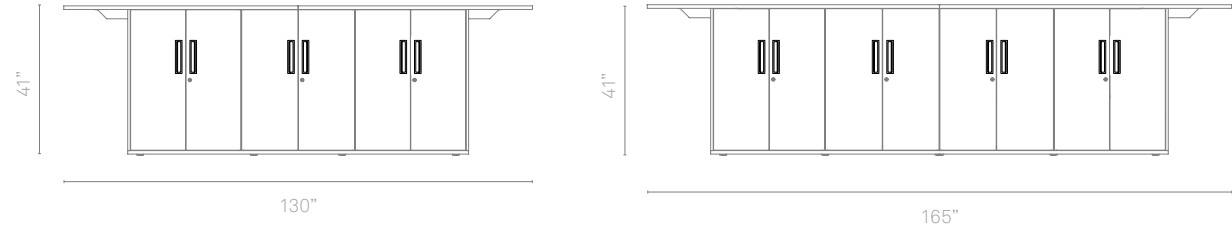

Tech Table

- Standard Features**
 - Top, base and shelf panels 1" as standard
 - Rear panel 0.75" TFL, fits flush as standard for increased strength, stability and aesthetics
 - All units are designed to finish flush, to avoid gaps when aligning units
 - Top panel fixed on top of the side panels for increased strength and smooth aesthetic
 - 0.5" leveling feet
- Grain direction front to back on horizontal panels, to align with desks, and top to bottom on vertical panels
 - Tooled handle for individual aesthetic
 - Laser edge tape on standard TFL finishes to create a quality look and feel with seamless finish
 - All door / drawer fronts 0.75" as standard
- Optional Accessories**
 - Monitor arms
 - Above desk power unit 1x power, 2x powered USB

HEIGHT ADJUSTABLE

Chemistry incorporates a height adjustable workstation solution to respond to the needs of today’s office, where simple elegance and inherent functionality are a must to meet a multitude of applications. Chemistry height adjustable desks make individual requirements possible, allowing the option to vary posture and stand while working.

Designed to fully interact with the user, whether that be seated or standing, height adjustable desks permit the user to quickly set their optimum working height by means of a responsive push button electronic mechanism.

Chemistry Height Adjustable

Standard Features (*Selected models only)

- Height adjustable Steel frame
- Leveling adjustment
- Scalloped cable access
- 1” TFL rectangular tops

Specifiable Features

- Standalone or back to back
- Electric operation

Complementary Options

- Universal Screens
- Cable trays and risers
- Desk linking kits

Accessories

- Monitor arms
- PU desk accessories
- Desk top accessories
- CPU holders
- Electrical accessories
- Screen accessories

Performance Standards

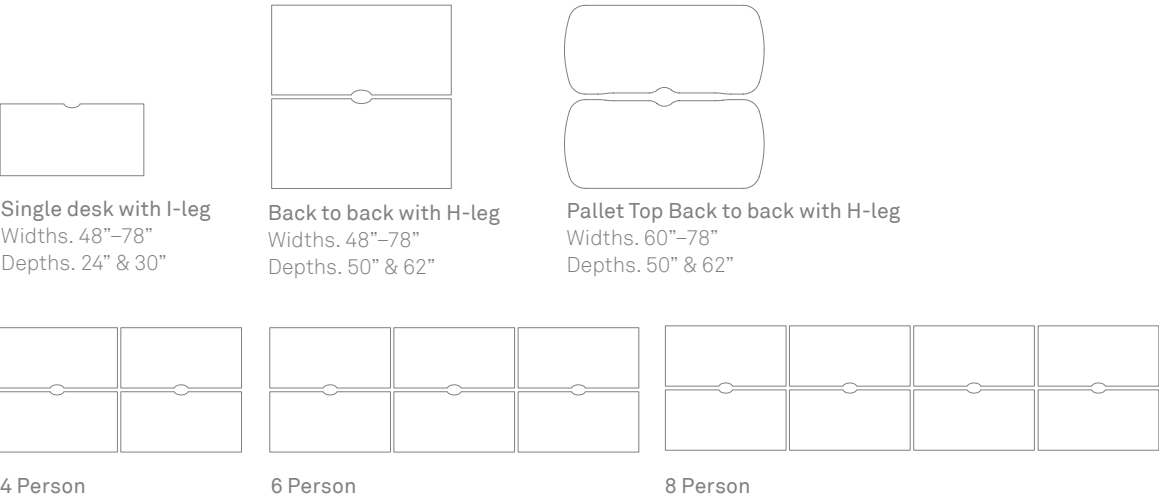

- Designed to conform to and where applicable is tested to the following standards:
- BIFMA X5.5 x2014
 - SCS-EC10.3-2014 v. 3.0 Indoor Advantage Gold

FLOOR STANDING SCREENS

Chemistry Screens, can be freestanding to enable personal privacy. They can incorporate tool rails that utilize Senator’s universal range of desktop accessories that allow users to personalize their own workspaces. Chemistry screens can be specified in multiple configurations, offering enhanced privacy and improved desk organization throughout the range. Floorstanding screens can be seamlessly interfaced with the desktop screens in order to give additional privacy where required.

Chemistry Screens

Standard Features (*Selected models only)

- Extruded Aluminum frame
- 45”-62” high (from the floor)
- 1.25” thick
- In-line and Desk divider/ End linking

Specifiable Features

- TFL, Fabric, and Acrylic panels
- Desk Screens 48”, 54”, 60”, 66”, 72”, 78”
- Desk Divider 24” and 30” width options
- Desk End 24” and 30” width options

- Floor standing screens available in 30”, 36”, 48”, 54”, 60”, 66”, 72”, 78” width options
- 45”, 55”. and 62” height options (Floor standing screens only)
- Accessory rail
- In-line or back to back screen fixing brackets (Desk screen only)

Complementary Options
(floor standing screens only)

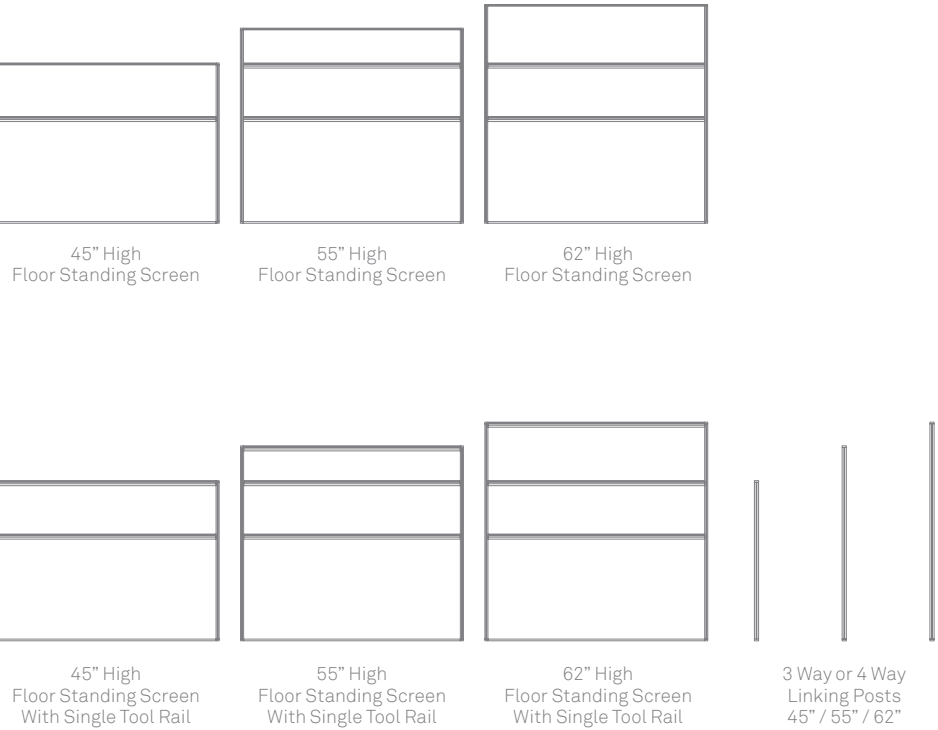

- 3 way linking post
- 4 way linking post
- Universal screen feet

Performance Standards

Designed to conform to and where applicable is tested to the following standards:

- BIFMA X5.5 x2014
- SCS-EC10.3-2014 v. 3.0 Indoor Advantage Gold

FINISHES

The natural world and industrial spaces have influenced our wood and metal finishes.

Wood grain finishes are European in tone, from crisp Hacienda White, to warm Beech, to cool Winter Oak.

For a contemporary look choose from muted shades of Blue, Yellow or a neutral palette of Black, Gray and White.

Matte wood finishes absorb the light and polished metal frames add reflection, combining light with dark for the ultimate finish.

Care & Maintenance

Periodic maintenance is necessary to ensure long term durability and customer satisfaction. All products should be closely inspected each month. If any item shows signs of structural failure it should be taken out of service immediately.

Fabric

Please follow specific manufacturing guidelines when cleaning fabric. Cleaning with an unapproved solution could damage the fabric.

Neglect is the most common cause of the premature breakdown of any upholstery fabrics. Problems occur as a result of inadequate removal of dirt, dust and grit which settles on the surface of the upholstery. If not removed, the dirt and grit will eventually penetrate the structure of the fabric. With further agitation, the dirt and grit will act like sandpaper wearing away and breaking fibers in the fabric structure. If enough fibers are broken, a hole will eventually form in the upholstery.

Epoxy powder frames

Clean using a damp cloth with a mild solution of soap and water.

TFL

TFL tops are very resistant to normal office problems, such as tea or coffee stains. Simply wiping with a soft damp cloth will remove most stains. Should a stubborn problem arise, clean with a soft damp cloth and a mild detergent solution. Do not use abrasive cleaners. Cut back edges should be wiped with a dry cloth only.

Chemistry Fixed Height

Chemistry is a range of workstations designed to facilitate flexibility and diversity demanded by modern working environments. Twin beam design provides the modular bench system with additional rigidity for a well-supported work surface. Chemistry Fixed Height workstations are ordered as starter or as add on desks, available in stand alone, in-line or back to back configurations with a choice of leg styles, either goal post or 'O' legs.

Material Content

Components are constructed of the following

Steel	42.78%	Steel	21.5%
TFL	43.14%	TFL	19.35%
Aluminum Castings	7.09%	Fabric	0.5%
Plywood	4.4%		
Nylon	1.18%		
Fabric	0.91%		
Polypropylene	0.44%		
ABS	0.06%		

The range is 99% recyclable

Optional Accessories

- Monitor arms
- PU Desk accessories
- Desk top accessories
- CPU holders
- Electrical accessories

Performance Standards

Designed to conform to and where applicable is tested to the following standards:

- BIFMA X5.5 x2014

WARRANTY

Limited Warranty

10 Years

Senator Group North America, warrants to the original purchaser that its products are free from defects in materials and workmanship for a period of ten (10) years from date of delivery, except as noted below. This warranty applies to single shift (standard 8-hour day, 5 days per week) use, and covers products delivered in the Americas: Canada, the Caribbean, Latin America, Mexico and the United States.

Exceptions

5 Years

Stacking chairs, metal chair frames, seating components including controls and adjustment mechanisms, height adjustment mechanisms and pneumatic cylinders, monitor supports and tablet arm assemblies,wood veneer and thermally fused laminate (TFL (edge 69)) surfaces, urethane and wood edge treatments, upholstery and tailoring.

3 Years

Electrical components and power supplies,ballasts, casters, glides, exposed wood frames, marker board surfaces, granite and glass surfaces, replacement parts.

Fabric

Senator Group North America, offers no warranty, either implied or expressed, on any fabrics or leathers used on our products. Fabrics and leathers carry warranties from the fabric manufacturer or reseller. Please refer to each reseller’s warranties before specifying. Because every fabric specification is different and application for use must be taken into consideration, Senator Group shall not be held responsible in any manner for wrong specification of fabric for tailoring, wear, durability, or light fastness.

Exclusions

Warranty does not apply to product failure or loss resulting from:

- Normal wear and tear.
- Failure to apply, install or maintain products according to published The Senator Group, Senator or manufacturer instructions and guidelines
- Abuse, misuse, neglect or accident.
- Unauthorized alteration or modification of the product
- Products exposed to extreme environmental conditions or improper storage
- Substitution of any unauthorized components that are integral to the performance of the product

Warranty does not cover:

- Replacement parts are covered for 3 years not to exceed the balance of the original warranty
- Customer’s own materials including, but not limited to solid surfaces, laminates, textiles and upholstery materials, leathers, wood and wood veneers. These materials are subject to the original manufacturer’s warranties only
- Variations in surface materials including color, grain, texture
- Variations in leather such as scars, wrinkles, and other marks
- Variations in wood such as color, staining, grain, scars and other marks
- Color fastness due to aging or exposure to sunlight
- Consumables, such as batteries, light bulbs and lamps
- Products purchased “as is”, used or secondhand
- Products sold by unauthorized dealers or installers

Warranty Provides Exclusive Remedies

Under this warranty, if a product fails during normal use during the warranty period as a result of a defect in materials or workmanship, Senator Group NA will, at its sole discretion, either repair or replace the product free of charge. If Senator Group NA determines the repair or replacement of the product(s) is not commercially practical, Senator Group NA may choose to refund the purchase price of the affected product.

This warranty applies to products purchased on or after March 1, 2016. For products purchased prior to March 1, 2016, please refer to the warranty terms and conditions in effect at that time.

THIS LIMITED WARRANTY IS THE SOLE REMEDY FOR PRODUCT DEFECT AND NO OTHER EXPRESS OR IMPLIED WARRANTY IS PROVIDED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SENATOR GROUP NA SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES.

This warranty is non-transferable and valid to the original purchaser only. Warranty is enforceable only if products were acquired and installed by Senator Group NA or one of its Authorized Resellers.

TERMS & CONDITIONS OF SALE

SENATOR INTERNATIONAL, INC., an Ohio corporation d/b/a Senator (“SIC”) does business with its Buyers under the terms and conditions set forth herein. SIC hereby rejects any terms and conditions contained in any Buyer purchase order or other business forms or in correspondence or elsewhere or implied by trade, custom, practice or course of dealing unless specifically included or varied in writing by a director or other authorized representative of SIC which are different from or in addition to the terms stated herein. “Buyer” means the person or entity whose order for the goods is accepted by SIC. “Goods” means the goods (including any installment of the goods or any parts of them) which SIC is to supply in accordance with these conditions. Any reference in these terms and conditions to singular includes plural.

1. Acceptance of Orders

All orders are subject to the approval of SIC, and SIC shall not be committed to honor any order until SIC has provided to Buyer written acceptance of the order.

2. General Terms of Payment and Financial Requirements

- a) Terms of payment are NET 30 DAYS from date of invoice, except where otherwise specified in writing by SIC. Credit amounts are subject to satisfactory references and verification by our credit insurers (Euler Trade indemnity). Time of payment shall be of the essence for all contracts between SIC and Buyer.
- b) A LATE PAYMENT CHARGE OF 2.5% PER MONTH WILL BE IMPOSED ON ANY PORTION OF ACCOUNT NOT PAID WITHIN TERMS STATED ON INVOICE. However, if this rate exceeds the maximum rate permitted under applicable law or regulations, the charge shall be reduced to the maximum allowable rate.
- c) SIC may offer special payment and/or shipment terms. In such event, these special terms shall supersede the general terms of payment and/or shipment, provided that such special terms are fully stated in a SIC INVOICE, signed by an authorized representative of SIC.
- d) If Buyer shall
 - (i) commit any breach here under;
 - (ii) file for or become subject to bankruptcy or receivership;
 - (iii) liquidate or cease business;
 - (iv) make arrangement with or composition for the benefit of any of his or its creditors; or
- (v) if in the opinion of SIC, Buyer’s credit becomes impaired, SIC shall still have the following rights and remedies in addition to any other rights and remedies provided by applicable law.
 - (i) All sums shall become immediately due and payable, notwithstanding any credit terms previously in effect.
 - (ii) SIC may refuse any order placed by Buyer.
 - (iii) SIC may cancel any accepted orders or delay shipment of any order without any liability to Buyer therefore.
 - (iv) No order may be cancelled by Buyer without SIC’s consent in writing, and such cancellation will be subject to a charge of 25% of order value or 15% if the product can be reused.
 - (v) If credit previously has been extended by SIC to Buyer, and SIC elects to make further sales to Buyer, SIC may require payments on a C.O.D. or cash-in-advance basis.
 - (vi) In the event collection of sums due from Buyer to SIC is referred to lawyers or debt recovery agents or if proceedings are brought to collect such sums or to enforce the rights of SIC, Buyer agrees to pay all costs and reasonable fees, including attorney fees and such costs and fees incurred in any proceedings or appeal and in executing on any judgement.
- e) SIC shall have the right to change its financial requirements of Buyer at any time.
- f) Prices stated do not include sale or use taxes, tariffs, and any other governmental changes, taxes, or duties payable by SIC, which will be added to invoice wherever applicable. If any of the foregoing changes are assessed after delivery of Goods, Buyer will

pay same upon demand of Seller.

- g) SIC shall be entitled to a general lien on any Goods and other property owned by Buyer in SIC’s possession (although the Buyer may have paid for the same in full) in satisfaction of the whole or part as the case may be of the unpaid price of any Goods sold and delivered to Buyer under any contract. SIC shall be entitled to offset any sum or sums owing by it to Buyer against any sums owed by Buyer to SIC.

3. Warranty

SIC’s only warranties shall be those expressly set forth herein and SIC makes no other representations or warranties concerning the Goods including, but not limited to, any warranty of fitness for a particular purpose. SIC warrants that the Goods shall be free from defects in workmanship or materials for the twelve (12) months following delivery by SIC to Buyer. Any remedy claimed for failure of such warranty shall be only upon the terms and conditions as limited by this Agreement. Buyer must notify SIC, in writing, of any claimed defect as soon as practical after discovery thereof by Buyer. Upon such notification, SIC may, at its option, confirm that the Goods are, in fact, defective. Upon such determination, SIC may, at its option, either

- (i) repair such defective Goods at Buyer’s location at no cost to Buyer or
- (ii) require that Buyer return the defective Goods as set forth in the following Section 4 for either replacement by SIC or refund of the purchase price (at SIC’s option). Buyer’s remedies for any breach of warranty shall be

limited as set forth herein and any other remedy is hereby waived by Buyer (including any claim for consequential damages, loss of profits, good will, reputation, bodily injury, or claims from third parties). In no event shall SIC’s liability to Buyer (whether for breach of warranty, breach of contract, negligence, misrepresentation, or otherwise) exceed the cost of the Goods which gave rise to such claim liability. SIC does not accept (and expressly disclaims) any responsibility for electrical work installation which SIC’s personnel do not supervise and all electrical installation must be undertaken by Buyer through a competent and qualified licensed electrician.

4. Returns and Replacements

Defective Goods will be accepted only with prior authorization from SIC’s head office and receipt of SIC’s RETURN/ AUTHORIZATION NUMBER. Goods returned are not to exceed quantity authorized. All returns must have freight prepaid. Credit will be issued (or Goods replaced) only after Goods are inspected and approved and will be based on Buyer’s cost for the Goods in question, less any costs for transport and re-packaging.

- a) Goods defective on delivery may be returned for exchange or full credit.
- b) Goods incorrectly delivered by SIC may be returned for full credit.
- c) Goods incorrectly ordered may be returned subject to a handling charge of 25% of invoice.
- d) Samples will be credited in full if returned in good condition within 60 days of delivery. Payment must be made in full for all samples not returned within this period.

5. Changes

- a) SIC shall have the right to reduce, or increase prices to Buyer at any time without prior notice, except with respect to orders which have been accepted prior to such price modification.
- b) SIC may at any time add, change or cease making available any Goods without notice to Buyer, and Buyer shall have no claim against SIC for failure to furnish Goods of the type previously sold.
- c) SIC may at any time change warranty without incurring any liability to Buyer.

6. General Terms of Transport

- a) Unless otherwise quoted All shipments are F.O.B. point of shipment, freight prepaid and allowed, excluding fuel surcharges. Shipments outside of the Continental United States and Canada are freight prepaid and allowed to port of exit. Senator reserves the right to select the most appropriate carrier and routing on all shipments that that are shipped. Senator reserves the right to implement a fuel surcharge. Buyer shall accept all risk of loss or damage to the Goods while in transit.
- b) Delay in transport or delivery of any particular installment or delivery of faulty Goods in any one installment shall not entitle the Buyer to repudiate the whole order nor relieve Buyer of its obligation to accept and pay for the remaining installments.
- c) SIC shall endeavour to make deliveries within a reasonable time. HOWEVER, SIC SHALL NOT BE LIABLE TO BUYER FOR ANY DAMAGES, WHETHER INCIDENTAL, CONSEQUENTIAL OR OTHERWISE, FOR FAILURE TO FILL ORDERS, DELAYS IN DELIVERY OR ANY ERROR IN THE FILLING OF ORDERS.
- d) Time of delivery shall not be of the essence to any contract to which these Terms and Conditions apply and shall not be made so by the service of any notice.
- e) Notwithstanding delivery and passing of risk, the Goods shall remain the property of SIC until such time as Buyer shall have paid to SIC the agreed price in full (together with any accrued interest) and all other amounts owned by Buyer to SIC in respect of any other contract for the sale of Goods and until such payment the Buyer shall hold the Goods as Bailee on behalf of and in a fiduciary capacity for SIC and the Buyer shall insure the Goods for their full market value. SIC shall have the right, at its option, to file one or more UCC financing statements with governmental offices to indicate SIC’s rights as owner of such Goods (or as security interest holder in such Goods and for purposes thereof, this Agreement shall be deemed a Security Agreement).
- f) In the event that the Buyer sells the Goods prior to payment to SIC in full, the Buyer acknowledges that the entire proceeds of sale are held in trust for SIC and shall not be mixed with other monies or paid into any overdrawn bank account and shall at all times be identifiable as SIC’s monies.

7. Force Majeure

- a) SIC shall not be liable to Buyer for any loss or damage which may be suffered by Buyer as a direct or indirect result of the supply of Goods by SIC prevented, hindered, delayed, cancelled or rendered uneconomic by reason of circumstances or events beyond SIC’s reasonable control (“force majeure circumstances”) including, but not limited to, strikes; lockouts; labour disputes; act of God; war; riot; civil commotion; malicious damage; compliance with any law or governmental order, rule, regulation or direction; accident; breakdown of plant or machinery; fire; flood; storm; difficulty or increased expense in obtaining workers; material or transport or other circumstances affecting the supply of the Goods or of raw materials by SIC’s normal source of supply of the manufacture of the Goods by SIC’s normal means or the delivery of Goods by SIC’s normal route or means of delivery.
- b) In force majeure circumstances, SIC may (in its sole discretion) terminate any contract for the supply of goods pursuant to the Terms and Conditions or cancel delivery of Goods to Buyer or may, with the agreement of the Buyer, deliver Goods at an agreed rate of delivery commencing at a reasonable time after the termination of the force majeure circumstances.
- c) If due to force majeure circumstances SIC has insufficient stocks to meet all its commitments, SIC may apportion available stocks between its Customer’s at its sole discretion.

8. Miscellaneous

- a) If any of these Terms and Conditions is held to be invalid, illegal or unenforceable in any respect, whether in whole or in part, such invalidity, illegality or unenforceability shall not prejudice the effectiveness of the rest of the remainder hereof.
- b) No waiver by SIC of any breach of contract by the Buyer shall be considered as a waiver of any subsequent breach of the same or any other provision.
- c) Any contract to which these Terms and Conditions shall be governed by, and construed in accordance with, the laws of the State of Ohio. Buyer consents to the jurisdiction of, and venue in, state and/or federal courts sitting in Lucas County, Ohio.
