Any remaining discount amounts not credited to the buyer are used to offset handling, processing, packaging, and related administrative expenses. Buyer has the option of selecting their own carrier, F.O.B. shipping point. If this option is selected, shipment must go freight collect or third party, and Datum Storage Solutions' responsibilities end when the order leaves our dock. All LTL/TL shipments using a third-party carrier will incur a \$35.00 handling fee per customer order. Additionally, a per-order handling charge of \$5.00 may be added for UPS and FedEx shipments. Concealed damage must be reported to Datum and/or the freight carrier in less than 5 days from the receipt of shipment. If concealed damage is reported in less than 5 days, the carrier and Datum will absorb two third's of the NET product cost, the balance of the cost for the replacement product will be billed to the dealer under the original purchase order number. All damage claims must be submitted by you with the carrier.

All concealed damage claims reported after the 5-day time limit become the responsibility of the dealer. All concealed damage claims must be submitted by you with the carrier.

All product that is delivered to a warehouse or an installation facility must be inspected prior to delivering to end destination. If damage is found prior to moving the product, after being signed clear, it must be reported in less than 5 days from delivery.

Freight Claims (continued): Concealed damage incurred by a third-party carrier is not the responsibility of Datum Storage Solutions.

CAUTION: When you give a delivering carrier a clear receipt for a shipment in which there is damaged merchandise or a shortage, the carrier is relieved of further responsibility. DAMAGE AND SHORTAGE CLAIMS MUST BE FILED BY YOU WITH THE DELIVERING CARRIER. Datum Storage Solutions will not accept return merchandise damaged in transit. Your claim is with the delivering carrier.
