FINISHES

The natural world and industrial spaces have influenced our wood and metal finishes.

Wood grain finishes are European in tone, from crisp Hacienda White, to warm Beech, to cool Winter Oak.

For a contemporary look choose from muted shades of Blue, Yellow or a neutral palette of Black, Gray and White.

Matte wood finishes absorb the light and polished metal frames add reflection, combining light with dark for the ultimate finish.

Care & Maintenance

Periodic maintenance is necessary to ensure long term durability and customer satisfaction. All products should be closely inspected each month. If any item shows signs of structural failure it should be taken out of service immediately.

Fabric

Please follow specific manufacturing guidelines when cleaning fabric. Cleaning with an unapproved solution could damage the fabric.

Neglect is the most common cause of the premature breakdown of any upholstery fabrics. Problems occur as a result of inadequate removal of dirt, dust and grit which settles on the surface of the upholstery. If not removed, the dirt and grit will eventually penetrate the structure of the fabric. With further agitation, the dirt and grit will act like sandpaper wearing away and breaking fibers in the fabric structure. If enough fibers are broken, a hole will eventually form in the upholstery.

Epoxy powder frames

Clean using a damp cloth with a mild solution of soap and water.

Wooden Surfaces

Wood is a natural product and owes its inherent beauty to the variations in color, texture, and grain which are not considered defects. Allermuir cannot guarentee the exact matching of colors between batches of wooden products, as wood naturally ages through time.

TFL & Laminates

TFL & Laminate tops are very resistant to normal office problems, such as tea or coffee stains. Simply wiping with a soft damp cloth will remove most stains. Should a stubborn problem arise, clean with a soft damp cloth and a mild detergent solution. Do not use abrasive cleaners. Cut back edges should be wiped with a dry cloth only.
