(a) *Termination.* The Hospital Director or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Hospital Director or designee shall give written notice of the termination to Independent Contractor specifying the part of the contract terminated and when termination becomes effective.

(b) *Independent Contractor Obligations.* Independent Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Independent Contractor will stop work to the extent specified. Independent Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Hospital Director or designee may direct Independent Contractor to assign Independent Contractor right, title, and interest under terminated orders or subcontracts to the State. Independent Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

15. TERMINATION FOR DEFAULT

(a) *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Hospital Director or designee may notify Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Hospital Director or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Hospital Director or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Hospital Director or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

(c) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Hospital Director or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.

(d) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Independent Contractor has notified the Hospital Director or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Hospital Director or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled (in fixed-price contracts, "Termination for Convenience," in cost-reimbursement contracts, "Termination").

(e) *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.

(f) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

#### 16. TERMINATION UPON BANKRUPTCY

This contract may be terminated in whole or in part by the Hospital upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

17. E-PAYMENT

18. E-VERIFICATION

Independent Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act 2008 and will register and participate in the status verification system for all newly hired employees. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Independent Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such verification. Independent Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Independent Contractor to the following:

- (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
- (b) the loss of any license, permit, certification or other document granted to Independent Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
- (c) both. In the event of such termination/cancellation, Independent Contractor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit to do business in the State.

19. ANTI-ASSIGNMENT/SUBCONTRACTING

The Independent Contractor acknowledges that it was selected by the Hospital to perform the services required hereunder based, in part, upon the Independent

Contractor's special skills and expertise. The Independent Contractor shall not assign, subcontract, or otherwise transfer this agreement in whole or in part without the prior written consent of the Hospital, which the Hospital may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the Hospital of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the Hospital in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the Hospital may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Chief Procurement

(2) Cancellation or Expiration of the Order: If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, if: (a) the stop work order results in an increase in the time required for, or in Contractor's cost properly allocable to, the performance of any part of this contract; and, (b) Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Chief Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract. (3) Termination of Stopped Work: If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise. 24. CHANGE IN SCOPE OF WORK

The Hospital may order changes in the work consisting of additions, deletions, or other revisions within the general scope of the contract. No claims may be made by Independent Contractor that the scope of the project or of Independent Contractor's services has been changed, requiring changes to the amount of compensation to Independent Contractor or other adjustments to the contract, unless such changes or adjustments have been made by written amendment to the contract signed by the Hospital and Independent Contractor. If Independent Contractor believes that any particular work is not within the scope of the project, is a material change, or will otherwise require more compensation to Independent Contractor, Independent Contractor must immediately notify the Hospital in writing of this belief. If the Hospital believes that the particular work is within the scope of the contract as written, Independent Contractor will be ordered to and shall continue with the work as changed and at the cost stated for the work within the contract.

MISSISSIPPI DEPARTMENT OF FINANCE AND ADMINISTRATION  
ADMINISTRATIVE RULE  
MANDATORY ELECTRONIC PAYMENT OF VENDORS

**I. General Purpose.**

- A. The Mississippi Department of Finance and Administration (DFA) serves as the primary executive branch agency for fiscal management. Under §7-7-41, the State Fiscal Officer has the authority to prescribe rules and regulations concerning the issuance of warrants and other forms of payments for all departments, institutions and agencies of the state. This rule, unless otherwise noted, is to set as the standard that vendors of the State of Mississippi shall be paid electronically and shall be provided the supporting remittance detail by electronic means.
- B. This rule is a means for reducing the costs to produce paper warrants and remittance advices. The State has documented significant savings in the move to electronic payment and remittance. The State avoids the costs associated with printing, sorting, distributing, copying, and mailing warrants. Additionally, the State has determined that there are reduced opportunities for fraud and lost payments under this means of payment and remittance.
- C. Vendors benefit by receiving notification of pending deposits of funds and have options for interfacing the remittance data from the State into their accounts receivable systems.

**II. Definitions.**

- A. ACH: Automated Clearing House. Affiliated with the U. S. Treasury and the Federal Reserve System and used as the conduit for electronic payments and collections.
- B. EFT: Electronic Funds Transfer. Electronic Funds Transfer (EFT) provides for electronic payments and collections. EFT is safe, secure, efficient, and less expensive than paper check payments and collections. Issuance costs for EFT payments are approximately 80% less than the cost to issue the same payment on a paper warrant. EFT transactions use the ACH network associated with the Federal Reserve System.
  - 1. The State of Mississippi uses “standard EFT” for transferring funds to employee bank accounts for direct deposit of payroll payments and for some transfers to checking accounts of State agencies.
  - 2. The State uses expanded EFT in the transfer of funds and remittance information using PayMode™. The State has established PayMode™ as the default payment method for those payments and transfers requiring supporting remittance information.
- C. E-payment vehicle: Tool that captures the payment and remittance information and pushes it electronically to the designated vendor from the source system (MAGIC). The ACH is used to move the funds while a proprietary system is used to provide access to supporting remittance data and notification of the availability of funds to the State’s vendors.
- D. Existing Agreements: Individual agreements in place for the acceptance of electronic payments prior to the implementation of this policy.
- E. PayMode™: A Bank of America product, PayMode™ is the State’s present e-payment vehicle.

- F. MAGIC: Mississippi Accountability System for Government Information and Collaboration, the successor system for SAAS and SPAHRS.
- G. Vendor payments: Payments initiated and approved by State Agencies for various goods and services or as used to transfer funds to other governing authorities such as school districts, cities, and counties.

### **III. Requirements for Transitioning to E-payment Vehicle**

- A. All existing vendors presently set up for payment through standard EFT, unless otherwise approved as an exemption, must be enrolled in PayMode™.
- B. All vendors established as new vendors in the State Magic System must be established for e-payment and remittance via PayMode™.
- C. All remaining MAGIC vendors, unless specifically exempted, must convert to PayMode™ on the schedule determined by DFA.
- D. To register for PayMode™, vendors should go to the Bank of America's™ enrollment website at <http://www.bankofamerica.com/paymode/ms>.
  - 1. Vendor must have a valid email address in order to enroll with PayMode™.  
This email address can be obtained through one of the free email services such as Yahoo or Hotmail.
  - 2. Vendor must have access to a computer. As computers are generally accessible in all businesses as well as in Public Libraries or other public forums, no exemption will be granted for having only limited or no access to a computer.
  - 3. Vendor may request assistance in enrolling with the State's e-payment service provider by contacting [mash@dfa.state.ms.us](mailto:mash@dfa.state.ms.us) or by calling MASH at (601) 359-1343.

### **IV. Requirements for Transitioning to E-invoicing**

- A. All vendors who contract with a state agency must agree to invoice the State electronically through PayMode.
- B. To register for PayMode E-invoicing, vendors must first register with PayMode for E-payment.
- C. Vendors must then complete additional information on the PayMode website to enroll in E-invoicing.
- D. Vendors may request assistance in enrolling in PayMode E-invoicing by contacting PayMode Customer Support at 1-866-252-7366.

### **V. Exemptions**

- A. The following are exempt from this rule:
  - 1. State employees as defined in §25-9-107;
  - 2. Contract workers – note that Independent Contractors are **not** exempt from this rule;
  - 3. Vendors specifically approved for “one of” payments using the

specific vendor number designated for that purpose by the Office of Fiscal Management;

4. Right-of-Way acquisition payments made by the Mississippi Department of Transportation.
5. Debt service payments made by the Office of the State Treasurer;
6. Tax payments to the IRS (standard EFT);
7. Tax payments to the Mississippi State Tax Commission (standard EFT);
8. Transfers to the Public Employees Retirement System of Mississippi (standard EFT);
9. Transfers to the Mississippi Deferred Compensation and Trust/SBA (standard EFT);
10. Vendors who apply for exemption and are approved by DFA.

B. To apply for exemption, the vendor must submit a written application to: Director, Office of Fiscal Management  
Department of Finance and Administration  
501 North West Street, Suite  
1101B Jackson, Mississippi 39201

C. Application must detail the following:

1. Reason(s) exemption requested. This must be a narrative explanation of the reason for the request;
2. Documentation of supporting cost and legal issues associated with the request for the exemption.

D. DFA will issue a written determination within 10 business days of the receipt of the exemption request. The written determination of DFA will be considered the final determination.
