General Specifications

OAK AND MAPLE BACKS

Backs are constructed of 3-ply or 5-ply furniture-grade Oak or Maple veneered plywood finished on both sides to match shelving.

LAMINATE BACKS

Backs are constructed with 1/4" thick thermally-fused laminate panels.

WHITEBOARD BACKS

Whiteboards will be 1/32" thick and applied to oak, maple or laminate backs using heavy-duty glue.

MAGNETIC WHITEBOARD BACKS

Magnetic Whiteboards will be 1/32" thick and applied to oak, maple or laminate backs using heavy-duty glue.

TACKBOARD BACKS

Tackboards will be 1/4" thick and applied to oak, maple or laminate backs using heavy-duty glue.

UPHOLSTERED BACKS

Upholstered appliques will be 1/2" thick and applied to oak, maple or laminate backs using velcro strips. Quantity of velcro strips will be determined by size of upholstered back. Upholstered backs will be constructed using a 3/8" thick wood panel with a 1/4" thick foam piece covered with choice of Brodart fabrics.
