

MORNING PRIDE® CLOTHING

2024 RETAIL PRICE LIST 1/15/2024

VIPER Pant

Certified to ISO 9001:2015 Manufacturing

General

1. All items returned for repair work must be cleaned using NFPA 1851 guidelines or repairs will not be able to be done on them, per Ohio OSHA regulations. You may clean the gear yourself or request cleaning through the Honeywell PPE Cleaning & Care Facility. The cleaning/inspection fee is in addition to any non-warranty repair charges. If you wish to request a quote before authorizing non-warranty repairs, please note that on your paper work.
2. Garments ordered incorrectly (size, color, materials, options, etc.) may not be returned for credit. Check your order carefully before submitting.
3. If you need help, please contact our Customer Service Department.

Proper Measurement for Proper Fit

NOTE: When coat length, sleeve length, shoulder width, back length, inseam, or crotch rise measurements are not provided on an order, the following standard sizing is applied:

Coats: Tails™ coats have a standard length of 29" in front and 35" in the rear.

Sleeve Length: Size 38" chest and under 33" sleeve;
Size 40" to 42" chest – 33½" sleeve; Size 44" chest and above – 34" sleeve.

Shoulder: Standard shoulder is graded according to chest.

Inseam: Standard inseam is 30".

Crotch Rise: Standard rise is graded according to waist size.

Any non-proportional or unusual body dimensions should be noted on your order so our cutting room may make allowances (i.e. larger than normal biceps on a weight lifter). Please call our Customer Service Department for assistance with any fit challenges.

Ordering Requirements: Coat or Pant

- Model Numbers
- Complete measurements
- Spec ID's referenced

- Color of outer shell
- Trim: type, color, pattern
- Lettering information (if any): type, color, size
