2640 – Fixed Four Leg Base

2641-C – Four Leg Swivel Base, with Casters (C)

2641-G – Four Leg Swivel Base, with Glides (G)

2642 – Height Adjustable Trumpet Base

2643 – Height Adjustable Four Leg Spoke Base

Features

3D molded multi-layer beech wood shell, 0.4" (11 mm).

Seat cushion is padded with CFC-free, high-resiliency, high-density polyurethane foam and fixed to the wood shell with screws.

Fixed Four Leg Base model (Model #2640) is made of chrome-plated steel with self-leveling glides.

Four Leg Swivel Base with Casters model (Model #2641-C) is height adjustable with 360 degree swivel. Dual-Wheel Casters for soft floors are standard. Gas cylinder and base are in a polished finish.

Height adjustable bases are achieved with a pneumatic gas cylinder with 4" (100 mm) of height adjustment.

Options

Wood Stain Finishes are available in six standard colors: Natural, English Oak, Cherry, Mahogany, Espresso Black and Ebony.

Part #2640-CS — Custom wood stains to match, add \$170 list.

5251 – High Back
5252 – Mid Back
5253 – Drafting Stool

Features

Breathable knitted mesh back moves with the user, providing flexible and continuous support with airflow.

Mesh back is stretched over a nylon reinforced with fiberglass frame.

Seat is available upholstered and padded with CFC-free, high-density and high-resiliency polyurethane foam.

Waterfall front edge seat design reduces pressure at the back of the knees allowing for proper blood circulation.

Back angle adjustment with back tension adjustment.

High Back model (Model #5251) has height and pivoting adjustable mesh headrest.

Standard with adjustable lumbar support.

3" (75 mm) height adjustable arms, with Swivel Pivot Arms (#SPA).

Seat swivel and height adjustment is obtained by a 3" (75 mm) pneumatic gas cylinder.

Sliding Seat Pan (#SSP) allows for 2" (50 mm) of seat depth adjustment.

10.5" (270 mm) pneumatic gas cylinder on the Drafting Stool model with adjustable height foot ring (Model #5253).

Carpet Twin-Wheel Casters (#VTW).

Options

Upholstery options are endless with our range of standard textiles, as well as the opportunity for Customer's Own Material (#COM).

For additional Caster options, see page 204.

For additional Pneumatic Gas Cylinder options, see page 205.

For additional Arm options, see page 206.

Designed by Giovanni Baccolini

Features

Backrest comes standard in Black polypropylene, with lumbar support in ABS, covered in soft Black polyurethane.

Mesh Back (-M) versions are made with a Black nylon frame and covered with Black nylon mesh, lumbar support is standard and made of blown Black polyurethane.

Seat cover is made of shock and scratch-proof polypropylene, reinforced with steel square tubular bars.

Foam for seat and back is fire retardant polyurethane.

Fixed polypropylene armrests come in same color to match back and seat pan, Black is standard.

4D Adjustable armrests are Black with Black polypropylene arm pads (#UA4D).

Tilting movements of the chair uses synchro multi-block, "fine" tilting adjustment and anti-return safety system.

The seat swivel and height adjustment is obtained by a 4" (100 mm) pneumatic gas cylinder.

Carpet Twin-Wheel Casters (#VTW).

Black finish standard on mechanism, base and casters.

Options

Upholstery options are endless with our range of standard textiles, as well as the opportunity for Customer's Own Material (#COM).

Mesh Back (-M) is available in one standard color: Black. Other color options are White, Gray, Navy and Red.

Part #7211-GR — Gray Polypropylene Back Panel, Seat Pan with Fixed Arms (where applicable) comes standard with Chrome Base (minimum order of twenty), add \$165 List.

Part #7211-WT — White Polypropylene Back Panel, Seat Pan with Fixed Arms (where applicable) comes standard with Chrome Base (minimum order of twenty), add \$175 List.

Part #SSP — Synchro Control with Sliding Seat Pan, add \$70 List.

Leather is Natural Genuine Top Grain.

Railroad Versus Off The Bolt

Most upholstery fabric is sold by the yard and comes 54" wide. Many upholstery fabrics are designed so that they can be RAILROADED. Meaning if you turn the bolt on end and roll the fabric from left to right, the pattern would be continuous across the roll.

Repeats in Pattern

The following allowance factors must be used when COM fabrics supplied are narrower than 54" and with horizontal pattern repeat. Use these percentages to the COM yardage requirements shown for each model.

Fabric Width	Plain Fabric	2' - 10" Repeat	11" - 20" Repeat	21" - 25" Repeat	26" - 30" Repeat
54"	0%	10%	15%	20%	25%
51" - 52"	15%	20%	25%	30%	35%
48" - 50"	30%	35%	40%	45%	50%
45" - 47"	45%	50%	55%	60%	65%
36" - 44"	60%	65%	70%	75%	90%

Application

The following applications are available to any fabric as an option and an extra charge.

- DuraBlock®
- Fire Wall
- Incased powered by Crypton®
- Nanotex®
- Crypton®

Adjustable Lumbar Support (ALS)

"Eight out of ten people will experience back pain some time in their lives. Seventy percent of all cases of back pain are posture related." *The American Academy of Orthopedic Surgeons*

"Research suggests that as the population ages, back problems will become more common and the lumbar seat will become the symbol of the aging boomer." *David Foote-"Boom, Bust and Echo"*

The Schukra Lumbar Support, an award winning design, was initially made to answer the requirements of neurosurgeons who needed a device to support a patient's spine during critical operations. Schukra engineers use advanced techniques to develop products that have consistently expanded the envelope of consumer expectation and have provided customers with cost effective design advantages.

Schukra Lumbar Support encourages correct seating posture, which provides:

- Reduced strain for the vertebral disks
- Improved relaxation
- Optimum support for the spinal column

ONE: Constant support of the pelvis, preventing it from sliding backwards and providing balance of the spinal column

TWO: Support of each vertebral disk in the lumbar region, providing relief for the spinal column and relaxation of the back muscle

THREE: Vertical support of the upper body, easing neck tension and offering relief for the vertebral disks

Components and Accessories

Seating Mechanisms (Manual, Gas Lift and Synchro)

All of our mechanisms come standard in a Black finish.

Gas Lift Control

GL1

Available on Models: Jolly, Nibia, etc.

6. **Pneumatic Height Adjustment** — To lower, pull lever up while seated; to raise, pull paddle up with your weight off the seat.

Synchro Control

PMB

Available on Models: Zero7

1. **Tension Knob** — Turn clockwise to increase tension, counterclockwise to decrease tension.
6. **Pneumatic Height Adjustment** — To lower, pull lever up while seated; to raise, pull paddle up with your weight off the seat.
9. **Seat Angle/Tilt Lock Adjustment** — To change seat angle, pull paddle up while seated, push paddle down to lock when desired angle is achieved.

Tilt Control

TC1

Available on Models: Jendra

4. **Back Angle Adjustment** — While seated pull paddle up, when desired angle achieved, push paddle down to lock.
6. **Pneumatic Height Adjustment** — To lower, pull lever up while seated; to raise, pull paddle up with your weight off the seat.
8. **Back Height Adjustment** — Turn clockwise to loosen, move chair back to desired height and re-tighten.
11. **Infinite Seat Angle Adjustment** — Push paddle down to lock chair in position; to allow continuous movement, pull paddle down.

Components and Accessories

Seating Mechanisms (Knee Tilt and Multi-Tilt)

All of our mechanisms come standard in a Black finish.

Knee Tilt Controls

KT1 and KT5

Available on Models: Jendra 3604, Jendra 3614 and Millenium (KT5)

1. **Tension Knob** — Turn clockwise to increase tension, counterclockwise to decrease tension.
5. **Tilt Lock** — To lock chair in position, push paddle down; to allow free tilt movement, pull paddle up.
6. **Pneumatic Height Adjustment** — To lower, pull lever up while seated; to raise, pull paddle up with your weight off the seat.

START105

Available on Models: Rete

1. **Tension Knob** — Turn clockwise to increase tension, counterclockwise to decrease tension.
12. **Multi-Function Control Arm** — Single lever actions the gas spindle and locks in five positions with “shock-resistance.” Slide lever forward to lock tilt. Slide lever backward to unlock tilt.

Multi-Tilt Control

MT1

Available on Models: Jendra 3604 and Jendra 3614

1. **Tension Knob** — Turn clockwise to increase tension, counterclockwise to decrease tension.
4. **Back Angle Adjustment** — While seated pull paddle up, when desired angle achieved, push paddle down to lock.
6. **Pneumatic Height Adjustment** — To lower, pull lever up while seated; to raise, pull paddle up with your weight off the seat.
7. **Forward Tilt** — Lean back in chair, bring tilt lock paddle to the up position and rotate lever clockwise to allow the seat to angle forward; to lock in position depress tilt lock paddle into the locked position.
8. **Back Height Adjustment** — Turn clockwise to loosen, slide chair back to desired height and re-tighten.
9. **Seat Angle/Tilt Lock Adjustment** — To change seat angle, pull paddle up while seated, push paddle down to lock when desired angle is achieved.

Warranty

Limited Lifetime Warranty

Borgo Contract Seating warrants that all Borgo Brand Products will be free from defects in material and workmanship for as long as you, the original purchaser/user owns the product, except as STATED below. This warranty applies only to original purchaser/user obtaining the seating directly from an authorized Borgo dealer AND PAID IN FULL BY THE AUTHORIZED DEALER. Warranties are in effect from the date of invoice and on product manufactured after January 1, 2021.

This warranty excludes normal wear and tear, damage caused during shipment and storage, damage due to accident, improper use, negligence, abuse, unauthorized alterations, improper installation, rental usage, EXTREME CLIMATE CONDITIONS. THE WARRANTY ALSO EXCLUDES THE USE OF NON-STANDARD MATERIALS IN THE MANUFACTURING PROCESS AS SELECTED BY AND REQUESTED BY THE PURCHASER/USER. The Borgo warranty is based on normal use of an eight-hour day, five days a week by individuals weighing 300 lbs or less.

Borgo will at its option, repair or replace with comparable product, any product, part or components which fails under normal use as a result of such defect. When repairing or replacing a defective product, Borgo does not guarantee a color match in dye lots, wood grain, stain and fabric patterns. When repairing or replacing a defective product pursuant to this paragraph, the customer acknowledges that all work must be performed by an authorized Borgo dealer operating within reasonable proximity to the customer, as determined by Borgo. In the event that no authorized Borgo dealer operates within a reasonable proximity to the customer, as determined by Borgo, Borgo reserves the right to arrange to have the products in question shipped to its factory in Toronto, Canada for purposes of repairing or replacing any product under this warranty. The warranty herein shall be void in the event that any repair or replacement of a defective product is undertaken by anyone other than Borgo or an authorized Borgo dealer without the written consent of Borgo.

Borgo does not warranty labor and transportation and will not authorize any warranty on parts without the appropriate warranty numbers (*label with serial number listed underneath the seat WILL VALIDATE WARRANTY. If the label is removed the warranty is void), A WARRANTY NUMBER EXAMPLE IS, C-3604-3-504-9900001. All claims with respect to any product alleged to be defective must be submitted in writing.

Borgo makes no express or implied warranties, except as stated, as to any product and in particular makes no warranty of fitness for a particular purpose, other than the express warranties contained herein. There are no other warranties expressed or implied. Borgo shall not be liable for any consequential, economic or incidental damage arising from any product defect.

This warranty applies only to Canada and the United States.

List of Warranty Limitations:

Ten Years

- Gas Cylinder
- Soft Seating

Five Years:

- Fabric (excluding COM & COL)
- Foam (Upholstery)
- Mechanism (Ergonomic and Recliners)
- Arms
- Casters
- Glides
- Wood Chair Frames and Bases

One Year:

- Electrical Devices

Warranty

Fixed Seating Warranty

Effective Date: Product Shipped after January 1, 2021

BORGOCONTRACT SEATING warrants Fixed Seating products purchased, including electrical components, hereunder to be free from defects in materials and workmanship for a period of fifteen (15) years from date of purchase. We will repair or replace, at our option, any product that we determine to be defective as a result of faulty material or workmanship. In no event shall our liability under this warranty exceed the original purchase price of the product determined to be defective. This warranty does not apply where product has been abused, mishandled or subjected to use other than for which it was designed. For the purpose of this warranty, normal wear to the product finish shall not be considered a defect. There are no other warranties expressed or implied.

EXCLUSIONS AND CONDITIONS: This warranty excludes and does not apply to:

- Conditions of other than normal wear and tear, of abuse, of neglect, of vandalism or misuse – all as determined by Borgo Contract Seating in its sole discretion
- In-transit damage
- Products altered or modified by the user
- User attached accessories
- Light bulbs, lamps, ballasts or consumable components
- Products not installed by Borgo Contract Seating approved installers and/or not installed in accordance with Borgo Contract Seating Installation/Application Instructions
- Products not properly maintained in accordance with Borgo Contract Seating Operating and Maintenance Procedures
- Customers own material, leather and non-standard material and color finishes whether purchased by the customer or Borgo Contract Seating
- Natural variations occurring in wood and leather and/or color fastness and/or variations in matching of colors, grains or textures of materials shall not be considered defects
- Product color fade

In the event of repair or replacement of the defective product (or defective component thereof) there is no responsibility for the matching of color, grain, fabric or texture except to within commercially acceptable standards, as determined by Borgo Contract Seating in its sole discretion. There are no other warranties than those expressly stated above, whether expressed or implied (including, but not limited to any warranty of merchantability or fitness for any particular purpose) unless specifically agreed to in writing by Borgo Contract Seating in the specific circumstance. Borgo Contract Seating is not liable for consequential or incidental damage arising from any product defect.

Terms

Terms and Conditions

The prices published in the price book are the manufacturers suggested retail list price (or as otherwise stated) and listed in dollars, subject to change without notice. List prices are those that are in effect at time of receipt of order. BORGO will endeavor to keep the dealer up to date on price changes. If shipping date requested is beyond 90 days from the completion of the order, BORGO reserves the right to use the published list prices effective at the time of shipment.

Taxes

BORGO list prices do not include any sales tax, GST, HST, PST, excise or other applicable taxes. The purchaser is responsible to remit directly to BORGO all such taxes when invoiced. A tax exemption certificate (if applicable) must be on file with BORGO prior to the product being shipped, otherwise, all sales tax will be due and payable. Applicable taxes are extra.

Payment Terms

All orders will be invoiced 48 hours after the dealer (customer) has been notified that the order is ready to be shipped or picked up. Terms of payment are net 30 days from date of invoice, payable to Borgo Contract Seating. BORGO shall exercise the right to a 2% charge per month, or 24% per annum on any past due invoice or outstanding balance. Any products sold shall remain the property of BORGO until paid in full. The purchaser agrees to perform all acts which may be necessary to assure retention of title to said products to BORGO until the products have been paid in full.

Credit

Should the purchaser fail to fulfill the terms of payment BORGO may defer further shipments until all such payments are made or may, at its option, cancel the unshipped balance without prejudice to any other rights which BORGO may have against the purchaser. Shipments and deliveries shall at all times be subject to approval of the purchasers credit and BORGO reserves the right even after partial shipment or partial payment on account, to require from the purchasers satisfactory security for the due performance of the purchasers obligations. Refusal to furnish such security will entitle BORGO to defer any further shipments until such security is provided, or to cancel any order or so much of it as remains unperformed, without prejudices to any other rights that BORGO may have against the purchaser.

Offer of Sale

Possession of this price list or any other literature shall not imply BORGO's willingness to sell to the holder will not be constructed as a direct offer of sale. The current price list shall prevail if any conflicts arise over pricing.

Orders

BORGO has achieved ISO 9001 certification. BORGO's continued commitment to this process requires that all purchase order to be constructed as valid must be submitted in hard copy on the purchasers company letterhead or other official company documentation with an authorizing signature This procedure is mandatory for BORGO to maintain its ISO accreditation. We ask your cooperation and understanding in making sure that no verbal purchases orders are given over the telephone. Verbal orders WILL NOT be accepted.

06-07-2022

Terms

Terms and Conditions

TO PLACE YOUR BORGO ORDER Fax your order to: 416-679-8139

All orders submitted in writing will be binding only when validated by BORGO using an official acknowledgment from with the companies excepted ship date. It is the purchasers responsibility to review the acknowledgment; any incorrect information must be communicated to BORGO within 24 hours, followed by immediate written confirmation. Any error on the purchase order will delay the manufacturing of the whole order. Once the written confirmation has been received, manufacturing of the product (purchase order) will commence.

When placing orders, please provide the following information:

1. **Account Number**
2. **Purchaser Order Number:** supply PO number form the party to be invoiced
3. **Sold/Bill To:** name and address. If Borgo is to invoice the end user, please provide end user purchase order made to Borgo or Borgo c/o dealer involved. Include the fax and phone number of destination.
4. **Ship To:** complete name and address of destination.
5. **Shipping Instruction:** Specify carrier and routing. In the event, a carrier is not specified; Borgo will determine the appropriate freight carrier and routing.
6. **Tagging Instructions:** Contact person name with phone number
7. **SQ (Special Quotation):** Please include if a number was given. It will avoid delay in processing the order.
8. **Verbal Quote:** State individual name giving the price and date of quotation
9. **Complete Model Number:** For example - 3604-3(fabric grade), 108 green (fabric color), MT1 (mechanism), UAB (arms), VTW (casters), EAFS (seat foam), SSP (sliding seat pan), etc.
10. **List Options:** List all options using appropriate abbreviation with correct item code for each option.
11. **Fabric:** Pattern number and name & Color number and name. Manufacturer's name where applicable. Specify the direction in which fabric is to be cut; railroad or off the bolt.
12. **Mechanism**
13. **Arms**
14. **Casters**
15. **Special Instruction:** Any other options or accessories
16. **Quantity**
17. **Price:** List price and net price

Terms

Terms and Conditions

Information Notice to our Customers in the United States

The U.S. Customs Service must have the **federal ID number** (also called the IRS#) of the U.S. consignee (recipient) in order to clear shipments. Borgo (exporter) must provide this number on paperwork presented for U.S. Custom's clearance, as a requirement under Title 19, Code of Federal Regulations Chapter 1, Section 142.3. Failure to provide this number can, or will result in shipments being delayed until the remaining, seven numbers, example, 12-345678900. If an individual is receiving the shipment and not a company that person's social security must be provided.

E&EO (Errors and Omissions)

All acknowledgments, quotations and invoices are subject to correction for any errors and omissions.

Installation

To preserve the Limited Lifetime Warranty, BORGO recommends that its product be installed by authorized installers. Authorized installer can be contracted through a BORGO dealer.

Finishes & Materials

COM (Customer Own Material)

COL (Customer Own Leather)

A request for a fabric or surface material not standard to the BORGO product line must be approved by BORGO before acceptance of an order. Customer's own material (COM) must be shipped-freight, duties and brokerage fees prepaid and taxes properly identified with the purchaser's name, order number, ID# and fabric yardage. If the dealer must have the fabric shipped to BORGO directly from the U.S.A., the following must be adhered to, as well as the above information.

* The Canadian dealer must provide the supplier of COM fabric located in the USA with their Canadian "federal business number". This allows Canada Customs and Revenue and the brokerages to assign all appropriate costs to the dealer. If the "federal business number" is not provided by the Canadian dealer to the USA supplier there will be a \$75.00 administration charge levied as well as all obligatory GST, freight and brokerage charges will be invoiced to the dealer by Borgo. The administration charge is levied when the fabric is received by Borgo from the supplier without the dealers "federal business number" shown.

COM prices use Grade 1 pricing or the lowest price listed if Grade 1 is not available. COL prices use Grade 3 pricing. The standard Borgo warranty will not apply to COM and COL. Borgo assumes no accountability for fabric wear, defects or suitability and its application is the sole responsibility of the customer.

"Scotch-guarding" of a fabric is an optional extra at an additional cost.

Terms

Terms and Conditions

Seating and Reception Table Finishes

For the customer that requests their own wood (stain) finish on chair frames and reception tables there is a surcharge of \$200.00 NET per different stain per order. For example, one purchase order has specified three different custom stains on fifteen items, the surcharge is $\$200 \times 3 \text{ (stains)} = \600.00 NET

Shipping and Delivery

It is up to the customer to specify the freight carrier and routing. In the event, a carrier is not given, BORGO will determine the appropriate method of transportation and routing of the shipment. All deliveries are dock to dock.

F.O.B.

All products sold are F.O.B. BORGO's plant, Toronto, Ontario, Canada unless otherwise stipulated by BORGO.

Delivery Dates

BORGO shall endeavor to deliver within the date specified on the acknowledgment. BORGO shall not incur any obligation or liability to the purchaser for failure to ship by the specified date and shall not be liable for any direct, indirect or consequential loss, damage or expense resulting from any delay.

Product Shortages

Product shortages must be noted on delivery receipts at the time of the delivery and immediately reported to the carrier for correction.

Claims

BORGO carefully prepares and inspects all products for safe shipment. BORGO is not responsible for damage that occurs in transit. The carrier upon acceptance of the shipment assumes responsibility for the shipment's safe delivery. Claims for loss or damage (even concealed damage) sustained in transit or storage, must be filed with the carrier by the consignee (recipient). Claims against BORGO for apparent defects, errors or storages must be filed within ten (10) days of receipt of products. Failure to claim within ten (10) days shall constitute acceptance of the product and a waiver of any claims against BORGO.

Storage

In the event, the purchaser is unable or unwilling to accept delivery within (5) days of the scheduled shipping date, BORGO may transfer product to storage at the purchasers risk and expense. Upon transfer to storage, the purchaser assumes risk of loss. BORGO will invoice the purchaser for storage fees and the purchaser will make payment in accordance with BORGO's standard payment terms.

Returns

No returns of product will be accepted without prior written consent and instruction from BORGO. All return shipments must be prepaid by the customer, to the BORGO manufacturing location. All returned products must be received by BORGO in original factory packaging. A minimum restocking and handling charge of 35% of the original net price will be charged to the customer on all authorized returned product. Credit will not be issued if the product can not be used as new. It is the responsibility of the party returning the product to ensure that no further damage occurs to the product during the return shipment. Any unauthorized return shipments to BORGO will not be accepted and will be forwarded back to the customer freight collect. Special order items, COM and COL will not be accepted for return under any condition.
