The Mississippi State Port Authority at Gulfport (MSPA) is soliciting proposals for **Professional Engineering Consultant and Management Services**. The MSPA desires to secure the assistance of a professional consulting firm/team knowledgeable in port engineering and development and ready to assist the Port in implementing varied public work projects. The selected firm will be responsible for providing professional project management, engineering design, construction management, maintenance management and assistance, and general engineering and other technical expertise as requested in the daily and routine operations of the MSPA. The firm must be licensed to perform engineering services in the State of Mississippi.

The Request for Qualifications documents are filed in the office of the Mississippi State Port Authority, Engineering Department, and are by reference made a part of this Notice. Said documents may be obtained at the location indicated above, by email ccox@shipmspa.com or by calling 228-865-4300.

The Request for Qualifications documents can be downloaded from Central Bidding at www.centralauctionhouse.com. Electronic submittals can be submitted at www.centralacutionhouse.com. For any questions relating to the electronic submittal, please call Central Bidding at 225-810-4814.

All proposals must be received by 3:00 p.m. Central Time April 18, 2022.
