In the event that a demand is made and no assurance is given within five (5) days of the request, the demanding party may treat this failure as an anticipatory repudiation of the BID.

**11. Independent Contractor:** Seller shall perform the services and/or provide goods required by the BID Document as an independent contractor and shall furnish such services/goods in its own manner and method. Under no circumstances or conditions shall any agent, servant, or employee of Seller be considered as an employee of the District.
