Child Nutrition Serving Lines - West Elementary

The Gulfport School District seeks to purchase Cafeteria Equipment with complete delivery, installation, testing, debris removal, and old equipment removal by the Vendor. The acceptable manufacturers are listed in the following equipment schedules or prior approved substitutions.

To assure high and satisfactory quality, design, and operation of products, reference has been made to brand names; however, it is not the intention of the Gulfport School District to limit competition and items of brands that are equal in quality, design, and operation of the stated items will be given full consideration. The use of said brand names is to establish the minimum acceptable quality. Determination of equality is solely the responsibility of the Gulfport School District.

The Vendor is responsible for providing documentation that the equipment meets the requirements at the time the bid proposal is opened. All warranties, brochures, estimated delivery dates, and alternate items must be clearly indicated and attached. Compliance must exist at the time of the bid opening. Lack of documentation will constitute non-compliance with the requirements, is considered incomplete, and will be rejected. Vendors must satisfy themselves, upon examination of these specifications, as to the intent and meaning of the specification. After submission of the bid, no complaint or claim that there was any misunderstanding regarding items listed for bid will be entertained from either party.

Pricing

The price quoted in the proposal should be inclusive. Quoted prices should include applicable taxes and maintenance costs, as well as a detailed list of excluded fees with a complete explanation of the nature of the fees. Gulfport School District is exempt from federal and state taxes.

All bids should be the total price. Gulfport School District reserves the right to accept bid proposals based on an individual line item or total bid price, whichever will provide the maximum benefit to the school district. The total price should be termed for four months from initial purchase.

All prices and quotations must be in ink or typewritten. No pencil figures will be permitted. Mistakes are to be crossed out and corrections inserted adjacent thereto and initialed by the person signing the bid. Also, corrections made with correction tape or fluid are to be initialed.

Terms

Bid pricing will be applicable for the term of August 1, 2023 – January 31, 2024.

Invoicing

Invoices for services rendered shall be supported by ordinary and reasonable documents. The invoice(s) shall itemize in reasonable detail the dates in which services were performed, the number of hours spent on such dates, and a brief narrative description of the actual services rendered.

Standard of Quality

Equipment and features that refer specifically to certain manufacturers are used to convey to prospective bidders the desired feature. However, prospective bidders may submit features and/or equipment of other makes and/or models in lieu of that mentioned, provided that such equipment or feature is similar in design and purpose and equal in quality unless otherwise indicated. Complete descriptions and specifications must be included for all substitutions. Gulfport School District will be the sole judge as to whether or not the equipment or features offered are equal to that specified. (Items can be certified pre-owned, re-conditioned, or refurbished but must be warranted as if they were new items from the manufacturer and qualify for warranty and maintenance services.)

Right to Adjust or Reject Bid Proposals

The Gulfport School District reserves the right to reject any or all bids and waive formalities. Furthermore, Gulfport School District reserves the right to adjust quantities of equipment involved under any item in accordance with the unit prices submitted as part of the proposal.

All awards will be based upon availability of funds. Gulfport School District reserves the right to terminate or modify any part of this procurement process at any time and for any reason; to award one (1) contract or multiple contracts; to negotiate changes; to make no awards; and to issue new and/or revised policies and clarifications at any time. If it becomes necessary to revise any part of the advertised bid, addenda will be provided to all companies/vendors who requested the original advertised bid packet through written communication delivered by the United States Postal Service and/or by e-mail.

References

References from three (3) K-12 educational institutions or institutions of higher learning currently being serviced for which comparable products or services have been provided and/or performed must be included in the proposal. The reference list must include the organizations' name, contact person, address, and phone number.

Evaluation and Awarding of Bid

The District will evaluate every bid submitted and reserves the right to be the sole judge of which bid meets the needs of the District. During the course of the Contract, the District reserves the right to negotiate changes in the scope, including the quantity and/or cost of the required services/equipment as

Gulfport School District # 2024-004B

well as changes in the scope and/or cost of the enhancements offered by the Vendor to the District.

While cost is an important element in the bid process, many other factors may be considered, and the award will not necessarily be based on the lowest price. The District reserves the right to consider all relevant and reasonable criteria in selecting the successful Vendor, which may or may not be expressed in the specifications. After determining that a bid satisfies the mandatory requirements stated in the bid documents, Gulfport School District in its sole discretion will make a comparative assessment of the relative benefits and deficiencies of proposals. The award of a contract resulting from these bid documents shall be based on the lowest and best bid as determined solely by Gulfport School District, after consideration of factors that may include, but not be limited to, the following:

- Vendor's financial standing;
- Vendor's ability to handle additional work;
- Vendor's insurance coverage and bonding;
- Vendor's price; and

In no way shall the Gulfport School District or the Board of Trustees be required to justify their decision or be held accountable to the Vendor in making its award of the contract or its refusal to contract with any of the parties. The judgment of the value and merit of the bids shall be made solely at the discretion of the Gulfport School District.
