# We've got your back.

Freedom of movement means everything to desk warriors. When selecting seating, attributes such as ergonomics, design, and engineering shouldn't be sacrificed to find the perfect chair—they should be standard.

The Gene's nylon frame and breathable mesh fabric feel like falling into your favorite hammock. With its Greengard certification, waterfall sloped seat to relieve back of knee pressure, and comfort-fit backrest, you'll enhance your space and achieve balanced perfection while sitting in style.
