The Engineer will be responsible for performing all engineering services concerning application for funding, then if funded, through project closeout in accordance with federal, state and local laws, regulations and policies. The scope of work includes but is not limited to the following: 1) prepare a Preliminary Engineering Report due to the town by April 15th, 2019 2) prepare plans and specifications, 3) distribute bid documents, 4) assist in bid opening and prepare bid tabulation, 5) assist in the execution of construction contracts, 6) hold pre-construction conference, 7) submit monthly progress reports if the project is approved, and 8) perform construction inspection and approve all payment requests.

The Town of Lambert is an Equal Opportunity Employer. The Town of Lambert encourages Minority-owned Business Enterprises (MBEs) and Woman-owned Business Enterprises (WBEs) to submit proposals. The Town of Lambert also encourages Section 3 eligible businesses to submit proposals. Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requires, to the greatest extent feasible, that the Town of Lambert and its contractors that participate in the above referenced Program give opportunities for job training and employment to lower incomes residents of the town. Section 3 also requires that contracts for work in connection with the Section 3 area be awarded to Section 3 eligible business concerns.

One (1) original and six (6) copies must be submitted in a sealed envelope and marked with the following language: "Proposal for CDBG Engineering Services." Proposals will be evaluated on the following factors: Qualifications (40 points), Experience (40 points) and Capacity for Performance (20 points). To be evaluated properly, the following must be addressed in detail:

Qualifications – List of qualifications of persons to be assigned to project;

Experience – Information regarding the firm's experience and the projects previously undertaken, including the type and amount of grants awarded, the projects activities, and the status of the projects;

Capacity for Performance – Identify the number and title of staff assigned to provide services.

The Town of Lambert may hold proposals for a period of not to exceed thirty (30) days for the purpose of reviewing the content of the proposals and investigating the qualifications of the firms and assigned individuals. The Town reserves the right to reject all proposals.

Subject to CDBG funding and the removal of all environmental conditions, the Town of Lambert will award a contract with the qualified individual or firm whose proposal has the highest number of cumulative points issued by the Town of Lambert Board of Aldermen and determined to be the most advantageous to the Town of Lambert, price and other factors considered. The contract will include scope and extent of work and other essential requirements. An individual contract will be executed for each funded project, and the contract will be on a fixed price basis. The Town of Lambert has the authority to terminate the selection at any time.
