

granular materials stand until such time as split sampling can occur in accordance with T 2.

The County shall make a final determination by decision of the County Road Manager as to the samples compliance.

If Vendor has more than two (2) non-compliant samples, as tested by the County Engineer, all source sampling thereafter will be taken at the Vendor's expense.

Failure of the above forthcoming tests to meet the required specifications (as stated in said advertisement and three (3) bid sheets) for the second within 2023, under the above procedures, may result in the termination of the contract between the Vendor and the County at the election of the Tallahatchie County Board of Supervisors.

Published by Order of this Board of Supervisors dated 19th day of December, 2022.

ANITA MULLEN GREEN-  
WOOD

CHANCERY CLERK  
(12-22, 29)
