# CREATE A workspace THAT WORKS FOR EVERYONE.

Unite's multiple elements create a balanced, harmonious look in any number of combinations. Architects and designers can specify with confidence. Clients can fulfill their need to accommodate a variety of work styles. Formal meetings, collaborative get-togethers, impromptu dialogues, private conversations—Unite® creates them quickly and ties them together beautifully. Unification through simplification. It's a beautiful thing.

# MAKING storage A PRIORITY

Tower-based planning with Unite® accommodates more papers, books and reports in less space. Low panel heights let more natural light stream in for a highly enlightened model of efficiency.

Underheads take advantage of wasted space and provide binder storage for lower panel height stations.

Substitute credenzas for underheads to add more flexible storage.

## FINISHES

Unite trim, legs and brackets: Starlight Silver Metallic

Unite standard monolithic panel fabric: Pallas Textiles, Freehand in Silhouette

Unite worksurfaces: Cherry Storm laminate

Unite divider screen: Glass, satin etch one side

U-Series side access bookshelf towers and underhead storage: Wet Sand, support leg: Starlight Silver Metallic

# benching WITH A EURO FLAIR

Add a touch of European design and a whole lot of room.

Clean, uncluttered, open benching fosters teamwork,  
sharing, and the most creative ideas.

Clear or opaque dividers offer additional space delineation and enhance privacy.

Use of a knife edge lightens the visual scale of a worksurface.
