Philadelphia Utilities  
Philadelphia, MS  
Wastewater Lagoon Erosion Repairs

General Notice

Philadelphia Utilities (Owner) is requesting Bids for the construction of the following Project:

Wastewater Lagoon Erosion Repairs  
72355

Bids for the construction of the Project will be received at the office of Philadelphia Utilities located at 435 Myrtle Street, Philadelphia, MS, until Thursday, May 4, 2023, at 10:00 AM local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

Earth fill and rock rip-rap installation at the wastewater lagoon levees and related items

Bids are requested for the following Contract: Wastewater Lagoon Erosion Repairs.

The Project has an expected duration of 120 days.

Information and Bidding Documents for the Project can be found at the following designated website:

<https://www.allenhoshallplanroom.com>

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

A copy of the plans and specifications may be examined at: the office of the Engineer, Allen & Hoshall, 1675 Lakeland Drive, Suite 207, Jackson, Mississippi, 39216 and at the office of Philadelphia Utilities, Philadelphia, Mississippi.

Each bid shall be accompanied by a Certified Check on a solvent bank or a Bidder's Bond issued by a Surety Company licensed to operate in the State of Mississippi, in the amount of 5% of the total bid price, as a guarantee that if the bid is accepted, the Bidder will enter into a contract and execute the Performance and Payment Bonds in the form and within the time specified.

The successful Bidder will be required to execute a Performance Bond and a Payment Bond, each in the amount of 100% of the Contract, issued by a Surety Company licensed to operate in the State and shall be named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Audit Staff Bureau of Accounts, U.S. Treasury Department.

Each Bidder shall have a Certificate of Responsibility to bid on contracts for public projects in which the bid price exceeds \$50,000.00 and for private projects in which the bid price exceeds \$100,000.00 as required by the laws of the State of Mississippi. Each Bidder shall show on the outside of the envelope containing his bid: his current certificate of responsibility number and expiration date or if applicable, a statement certifying that the bid enclosed does not exceed \$50,000.00 for a public project or \$100,000.00 for a private project. Failure to show these items on the outside of the envelope containing the bid will result in the bid being returned to Bidder unopened.

No Bidder may withdraw his bid for a period of sixty (60) days after date of actual bid opening, without Owner's consent.

Funding for the project is through a Mississippi Municipal and County Water Infrastructure Grant, MDEQ Agreement No. 243-1-CW-5.5. Contractor shall conform to the grant requirement.

Philadelphia Utilities reserves the right to reject any or all proposals received, to waive any informalities in the bids received, and to accept any proposal which is deemed most favorable to Philadelphia Utilities.
