PROPOSAL

Superintendent
Tate County School District
574 Parkway Street
Coldwater, MS 38618

To Whom it May Concern:

Having examined the specifications outlined on the attached sheets, my firm agrees to furnish and deliver items and provide services according to your specifications and instructions at the indicated prices. We/I, the undersigned understand and accept the instructions and conditions under which this proposal is being submitted.

This proposal consists of a Proposal, Conditions/Specifications and Proposal Summary Sheets. We/I understand that a company officer's signature is required on each form and unless this has been done, our proposals may be considered incomplete and therefore rejected. Also, included is a list of school district references and other information required.

CONDITIONS/SPECIFICATIONS

The Tate County School District, Coldwater, Mississippi, will receive sealed proposals in the Central Office Building until **Tuesday, March 19, 2019 until 2:00 p.m.** The Superintendent reserves the following rights:

1. To appoint or authorize a person or persons to evaluate bids/proposals act, and make decisions on matters pertaining to proposals.
2. To reject any and/or all proposals of any groups thereof and waive any informalities.
3. To adjust quantities of supplies and services involved under any item in accordance with the unit price submitted as part of the proposal.

The above proposals will be opened in the Tate County School District, 574 Parkway Street, Coldwater, Mississippi, on **Tuesday, March 19, 2019 until 2:00 p.m.** All proposals shall be submitted to this address on or before the above time and date. Envelopes containing proposals shall be plainly marked "**Update of all the cafeteria dining rooms with tables, drawings, décor, and painting in the serving line.**" Any notations appearing on the outside of envelopes containing the sealed proposals that are intended to amend the proposals in any manner will not be considered.

No proposals may be withdrawn for a period of thirty (30) days following the scheduled opening date.

Suppliers must be licensed to do business in the State of Mississippi. Non-resident and resident bidders shall attach written notice to this bid when preference statutes apply in the letting of public contract. A non-resident bidder domiciled in a state having laws granting preference to local contractors shall be awarded Mississippi contracts only on the same basis as the non-resident bidder's state awards contracts to Mississippi contractors. If non-resident bidders state grants preference where the bidder is domiciled, the non-resident bidders shall cite the statute and attach the following: (1) the address written by the bidder on the form furnished by the school district is the domicile of the bidder, (2) the absence of an attached written notice of preference verifies the bidder has no preference statutes, and (3) an attached notice to bid must be assessed by the school district prior to awarding a public contract.

PRICES

Prices, unless otherwise specified, shall be NET including transportation and handling charges fully prepaid by vendor to Tate County School District, Coldwater, Mississippi. Cash discounts will be considered and time will be counted from date of acceptance. Prices must be shown on the proposal. All proposals must be FIRM PRICES, free of any escalator clauses. Prices must include all taxes. Tate County School District will furnish tax-exemption certificates for State and Federal taxes where applicable.

BILLING

All services will be provided once a signed purchase order is secured which indicates the dates of the service and consultant performing the service is identified. The contractor and a school administrator must sign a verification form that indicates that the service is rendered. One copy of the form must be provided to the Tate County School District Business Office with the contractor retaining one copy.

Invoices are to be furnished for each project. The cut off on the invoice must be made to include the week ending closest to the end of the month. All invoices must indicate the total price of the items, resulting in the net price to be paid by the district. The district will pay all invoices within 45 days of the invoice being verified for completion. This completion will include the daily reports required and the verification form being matched to the invoice.

The successful firm shall report and cancel in writing with 30 days notice if services provided in this proposal cannot be delivered.

ROYALTIES AND PATENTS

The firm shall pay all royalties and license fees. The firm shall defend all suits or claims for infringement of any patent rights and shall hold the Tate County School District harmless from such loss on account thereof.

INSURANCE REQUIREMENTS

The following insurance requirements must be met or the proposal will be considered incomplete and therefore rejected.

- (a) Commercial General Liability - Combined Single Limit in an amount of \$ 1,000,000.00 per occurrence with \$ 2,000,000.00 aggregate;
- (b) Commercial Auto Liability - Combined Single Limit in an amount of \$1,000,000.00;
- (c) Workers' Compensation and Employer's Liability Insurance:
Workers' Compensation Limits: Statutory-State of Mississippi.
Policies shall include a waiver of subrogation in favor of Tate County School District.
- (d) Employers' Liability: \$ 100,000.00 Each Accident; \$500,000.00 Disease Policy Limit; \$ 100,000.00 Disease Each Employee; and,
- (e) Proof of coverage must be placed on file with the school district by the Contractor and kept current throughout the term of this Contract.

Current insurance certificates shall be attached to the proposal.

(If the firm does not have the above insurances, a detailed explanation must be attached to the proposal of how any workers' compensation claims or liability issues will be addressed.)

DAMAGE CAUSED BY SUCCESSFUL BIDDER

The Tate County School District will hold the successful firm responsible for damage caused to the buildings, fences, and other structures or assets of the Tate County School District under all conditions.

STANDARD OF QUALITY

This proposal requires décor items. If there are other companies providing other items equal in quality and compatible with existing items in lieu of that mentioned, **a complete description must be submitted** prior to proposal opening. The essential features of the items mentioned shall be provided in the items furnished, and Tate County School District shall be the sole judges as to whether or not the items offered are equal to that specified.

CONTRACTS

The contract that will be issued to the successful vendor must include all of the following provisions due to the funding being from federal sources.

- 1) A clear description of the services to be performed or goods to be delivered
- 2) When the services are to be performed or goods delivered
- 3) Where the services are to be performed or goods delivered
- 4) Requirement for vendor's compliance with the Mississippi Employment Protection Act as required by (Senate Bill 2988 from the 2008 Regular Legislative Session)

 - b) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement (All contracts in excess of \$10,000)
 - c) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60)
 - d) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3)
 - e) Awarding agency requirements and regulations pertaining to copyrights and rights in data.
 - f) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions
 - g) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed
 - h) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15)(Contracts, subcontracts, and subgrants of amounts in excess of \$100,000)

i) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871)

7) American Recovery and Reinvestment Act (ARRA) terms and conditions, if applicable

As a bidding vendor, we understand that all of these provisions must be strictly complied with in order to fulfill the contract.
