PROPOSAL FOR: ARCHITECTURAL SERVICES RELATED TO THE BOND ISSUE

PROPOSAL OPENING DATE: MONDAY, JULY 9, 2018, AT 11:00 A.M.

HATTIESBURG PUBLIC SCHOOL DISTRICT
REQUEST FOR PROPOSALS/QUALIFICATIONS FOR ARCHITECTURAL SERVICES

The Hattiesburg Public School District Board of Trustees invites you or your firm to submit a proposal for architectural services for the Hattiesburg Public School District.

Preference will be given to individuals or firms with commercial construction experience in the education field, who have a fully staffed office within 120 miles of Hattiesburg, Mississippi.

Architects are invited to visit the school sites prior to submission to gain awareness of the layout and issues that will be addressed.

Proposals/qualifications must be returned no later than 11:00 A.M. on Monday, July 9, 2018, to the Hattiesburg Public School District Business Office or Conference Room located at 301 Mamie Street, Hattiesburg, Mississippi, 39401. Four (4) copies of your proposal should be in a sealed envelope clearly marked "Proposal for Architectural Services" on the outside of the envelope. Late proposals/qualifications will not be considered. All proposals/qualifications will be taken under advisement and evaluated to be awarded at a later date. Interviews may be scheduled within two months following receipt of proposals/qualifications.

The term of the accepted proposal is will be for projects done with bond issue proceeds within the next three to five years, depending on exactly when the bonds are issued, and shall depend upon satisfactory performance of all duties and obligations as listed in this package. Proposal/Qualifications shall include responses to all items listed in Exhibit "A" with the exception of "Interview". In addition, other required documents include a signed "Proposal/Qualifications" form on page 5, a signed "Notification of Criminal History" form on page 6, and a signed Exhibit "B" and "C" on pages 9-13 – signed Exhibits "D" and "E" will be required of the approved individual or firm prior to allowing any employees on the school campus. These policies will also apply to any contractors and subcontractors on the Hattiesburg Public School District premises. The policies noted are concerning Drug and Alcohol Use on School Premises and Background Checks. All policies can be viewed by visiting www.hattiesburgpsd.com --- Leadership - Board of Trustees – Board Policies.

Evaluation of proposals/qualifications shall be based on what is the "best overall solution" for the Hattiesburg Public School District. Cost will be one factor used in determining what is the "best value proposal". The district will award this contract to the person(s) or firm(s) who submit the "most advantageous proposal". The following criteria will be used to evaluate all proposals/qualifications as per Exhibit "A":

- Education/Licensing of individual or members of firm
- Experience of in-charge architect(s) and inspectors in building commercial education buildings
- Minimum Insurance Coverages
- List of Projects completed in the last 4 years
- Interview
- References
- Financial stability
- Pricing - Percentages based on project costs or flat dollar amounts must be listed in the proposal. – These percentages must be "net" of any additional billing such as printing costs, etc. Proposals/qualifications that do not list a flat dollar amount based on the project size or a percentage that is being proposed will not be considered for the interview process. Therefore, a reference to a sliding scale based on AIA rates will be considered an incomplete proposal and may not be considered. Any outside billings for publications of advertisements for bids, asbestos testing or other

environmental testing will be billed by that vendor to the HPSD once a valid purchase order is obtained. All engineering fees and other costs normally associated with architects planning, designing, preparing construction documents, bidding, negotiating and overseeing construction on commercial buildings shall be included with the architectural fees.

- Billing – Billing will be based on the percentage in pricing above with 65% due upon the approval by the school board of the construction contracts including any applicable alternates. The remaining 35% will be invoiced based on the percentage of the project completed during the construction phase. The district requires that the architect have his representative provide on-site inspections at least three days a week during the construction stage of the project to ensure that the project is proceeding according to the architectural plans and timelines. The architect will be responsible for ensuring all applicable warranty items are complete before the final payments are made as well as ensuring copies of the warranties are issued to the Hattiesburg Public School District.
- Minority and women owned firms will be given consideration

The Board of Trustees reserves the right to:

- Appoint or authorize a person or persons to evaluate proposals/qualifications, interview candidates, and make a recommendation
- Choose more than one firm for separate jobs/locations
- Waive any defect, irregularity or informality in any proposal procedures
- Reject any or all RFPs

All individuals or firms submitting proposals/qualifications must be licensed to conduct business in the State of Mississippi. All individuals or firms must meet all insurance requirements. No proposals/qualifications may be withdrawn for a period of thirty (30) days following the scheduled opening date.

REQUEST FOR PROPOSALS/QUALIFICATIONS FOR ARCHITECTURAL SERVICES

EXPECTATIONS AND REQUIREMENTS

The intent of the Board of Trustees is to engage an architect or architectural firm who will act as an advocate for the Hattiesburg Public School District before, during, and after construction projects are completed.

The Board of Trustees would expect this individual or firm to work with district personnel on various short-term and long-term facility needs to get the best quality construction at the lowest possible cost. The successful firm may be required to prepare minimal drawings and cost estimates during the strategic planning process to determine which projects are affordable. In addition, the successful firm would serve as the architect of record in the event of a natural disaster relating to any job under construction that is affected by the disaster.

Other requirements of the Board of Trustees include:

- Proof of current professional liability insurance coverage, liability insurance, and worker's compensation insurance and other insurance coverage
- Commercial construction experience, preferably in the **commercial education building** field
- Able to work with city, county, state, and federal officials to ensure compliance with all codes, laws, regulations, or other legal requirements including the Mississippi Department of Education
- Experience with asbestos and lead requirements, as well as experience with FEMA/MEMA and insurance adjusters
- Extensive technology experience and willing to work with the district's technology team to address district technology needs
- Timely submission of plans and specifications to local, state, and district personnel to review prior to board meetings
- Quality construction completed on time and within budget
- Minimal change orders
- No contingency built into construction contracts, although allowances for individual items may be considered.
- No reimbursables included in architect or construction contracts. (This means that all costs such as printing fees are included in the flat percentage rate.)
- Highly qualified inspector(s) who will act in accordance with what is best for the district
- Require all of contractor's insurance documents to be in order prior to signing construction contract
- Timely and accurately submitting pay applications to the HPSD Business Office to ensure payments are properly processed in accordance with the contract.
- No first payment to architect until bid is awarded.

OTHER REQUIREMENTS

1. Only those employees of the Architects/Contractors who have successfully completed all background checks as required by state law, specifically the FBI fingerprint check and the Mississippi Child Abuse Registry check and drug tests as required by school board policy shall be allowed on the premises of Hattiesburg Public School District.
2. Architects/Contractors must comply with the Mississippi Employment Protection Act. Architects/Contractors represent and warrant that they will ensure their compliance with the Mississippi Employment Protection Act (Senate Bill 2988 from the 2008 Regular Legislative Session) and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Architects/Contractors agree to maintain records of such compliance and, upon request of the owner, to provide a copy of each such verification to the owner. Architects/Contractors further represent and warrant that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Architects/Contractors understand and agree that any breach of these warranties may subject Architects/Contractors to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) BOTH. In the event of such termination/cancellation, Architects/Contractors would also be liable for any additional costs incurred by the owner due to contract cancellation or loss of license or permit.
3. The Architects/Contractors warrant that they have no "conflict of interest" in administering contracts. The Architects/Contractors represent as a part of this bid or proposal that such entity has not retained any person or agency on a percentage, commission, or other contingent arrangement to secure this contract.
4. The Architects/Contractors certify that neither they nor their principals: (a) are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any federal department or agency; (b) have, within a three (3) year period preceding this Agreement, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (federal, state or local) transaction or contract under a public transaction; violation of federal or state anti-trust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; (c) are presently indicted of or otherwise criminally or civilly charged by a governmental entity with the commission of fraud of a
