*Please note that this is a Dale I Bailey, an Association Project*

18053-VJHS / 18056-WCJH Junior High Schools Additions and Renovations, Vicksburg Warren School District, Vicksburg, MS

Estimated Construction Budget: \$10.2M

This Project includes Additions and Renovations of two Junior High Schools for Vicksburg Warren County School District and the expansion of the access road, Rosa Temple Avenue, at both schools. The renovations include interior finishes as well as miscellaneous repairs throughout the schools. The new additions consist of new administration additions around the campuses and site improvements including access roads, sidewalks and landscaping. The road expansion is described in the civil drawings and includes the expansion of Rosa Temple Avenue from two lanes to four.

Addendum No. 1: 07.12.19
