Project Details

1. Describe the commodity/service that the agency/institution is seeking to procure:

UMMC seeks to renew Raiser's Edge NXT™ which is a comprehensive smart-cloud fundraising and relationship management system.

2. Explain why the commodity/service is the only one (1) that can meet the needs of the agency/institution:

Raiser's Edge NXT™ provides UMMC an integrated batch gift processing module to log and organize donations sent to UMMC. The ability to generate/send receipts and acknowledgements straight from the system. Allows UMMC the opportunity to archive and store pertinent constituent information to produce strategic targeted mailings. Raiser's Edge NXT™ provides a seamless link with outside applications that require no customization or programming, and are fully integrated without process interruptions.

3. Explain why the source is the only person or entity that can provide the required commodity/service:

Raiser's Edge NXT is an out of the box database that does not require the retention of an in-house IT/Programming department to modify and accommodate changes. The solution already provides built in modules with in the database such as gift processing, planned giving, events, prospect identification/tracking, and data querying. It also provides a user friendly web design and easy navigation for certain users. Also, contains a built in functionality for UMMC's outside applications.

They are not available from any other distributor. See supporting letter from **Blackbaud, Inc.**, Attachment A.

4. Explain why the amount to be expended for the commodity/service is reasonable:

The estimated amount to be expended is for the renewal of the solution Raiser's Edge NXT™ is **\$240,000.00**. This amount is within the expected price range for these products.

5. Describe the efforts that the agency/institution went through to obtain the best possible price for the commodity/service:

Through market intelligence, UMMC was able to negotiate best pricing for these products. All applicable discounts were explored and applied.

Submission Instructions and Format of Response from Objecting Parties
