

REQUEST FOR PROPOSALS

EAST BILOXI RAILROAD CROSSING CLOSURES AND CONSTRUCTION OF EAST-WEST NEIGHBORHOOD ACCESS ROAD PROJECT

The City of Biloxi is seeking proposals from qualified engineering firms for the East Biloxi Railroad Crossing Closures and Construction of East-West Neighborhood Access Roads Project. This Project will construct a continuous roadway on the North side of CSX Railroad from Reynoir Street to Oak Street approximately 24 feet wide. It will eliminate dangerous humpback railroad crossings by closing. This project will provide connections between neighborhoods to improve emergency response time. This will be a Phased project. Services will include preparing an Environmental Assessment, surveying, property acquisition/relocation, design (preliminary plans, detailed construction plans, specifications, bid documents and construction cost estimates), bidding, construction inspection services, and any other local, state, federal or CSX permits necessary for construction. Firms should include a design timeline to complete the project. This project may be broken down into phases for construction, depending on available funding. This project includes Community Development Block Grant Program Funding.

Firms or individuals proposing to furnish such professional services should submit a statement of their qualifications, experience and capacity for performance. Proposals (an original plus four copies) will be evaluated and ranked by a consultant selection committee on the basis of the following criteria:

- 40% Qualifications – List of qualifications of persons to be assigned to project;
- 40% Experience – Information regarding the firm's experience and the projects previously undertaken, including the type and amount of grants awarded, the projects activities, and the status of the projects;
- 20% Capacity for Performance – Identify the number and title of staff assigned to provide services.

The City of Biloxi is an equal opportunity employer. The City of Biloxi encourages Minority-owned Business Enterprises (MBEs) and Woman-owned Business Enterprises (WBEs) to submit proposals. The City of Biloxi also encourages Section 3 eligible businesses to submit proposals.

Again, firms will be evaluated and ranked according to the above criteria. The City will negotiate compensation with the highest ranked firm for the proposed

project, which includes federal funding. Therefore, the contract is subject to compliance with Section 3 and other federal regulations as applicable.

Sealed proposals will be received until 10:00 a.m., February 14th 2018. For more information, please contact Susan Pickich at (228)435-6269. Proposals should be sealed and properly labeled: **PROPOSAL – CDBG EAST BILOXI RAILROAD CROSSING CLOSURES AND CONSTRUCTION OF EAST-WEST NEIGHBORHOOD ACCESS ROAD PROJECT** and shall be forwarded to:
