## FEATURES

---

### A SMART SIT

Sit down and Mila adjusts to you automatically. All that's left to do is check the height, and lock the back upright if you wish.

### ARTISTIC ACCENTS

Mila's intricate aluminum arms and base show off the close attention to detail and craftsmanship. The mesh back version features a urethane-covered back frame with artfully designed beveled edges and gentle curves.

### HIDDEN IN PLAIN SIGHT

There are no bulky mechanisms to interrupt Mila's artful geometry. The control is seamlessly integrated into the underside of the seat.

### SLEEK SUPPORT

Mila's slim yet supportive upholstered back is made possible by a plastic and mesh inner frame encased in soft molded foam. If you prefer an airier look, you can opt for a breathable mesh back in your choice of 18 colors.

### INSTANT GRATIFICATION

Mila makes ergonomics effortless with its automatic adjustment. Just sit down, and Mila does the work for you. Enjoy all-day support easily. Whether you choose an upholstered back or a mesh back (offered in 18 colors), Mila's graceful aluminum accents pair perfectly.

### EASY ON THE EYES, AND THE ARMS

Beautifully sculpted aluminum fixed arms featuring soft-touch arm caps seamlessly frame Mila's entire form, wrapping around the back and underneath the seat in one continuous piece. The arms are finished with smooth gray urethane arm pads for your comfort. With the mesh option, the back frame is also enveloped in coordinating gray soft coating.
