AMENDMENT 1

---

**TO:** ALL INTERESTED PARTIES FOR REQUEST FOR QUOTES – FORMAL (RFQF)  
# 1401-20-R-RFQF- 0000; Rfx # 3140002021

**FROM:** HEWITT PITTMAN

**SUBJECT** AMENDMENT #1 QUESTION CONCERNING BID SPECIFICATIONS For 80,000 GVW  
HEAVY – DUTY SCALE TEST TRUCK WITH A KANAWHA BODY AND CRANE SYSTEM

**Date:** NOVEMBER 13, 2019

---

**Q. 1. Will a single eighty (80) gallon diesel fuel tank and a nine and a half gallon DEF tank be acceptable rather than what is specified in the RFQF (DUAL RH & LH 100 gallon fuel tanks and a 10 gallon or larger DEF tank)?**

**A. 1. No, the smaller fuel and DEF tank are not acceptable because Weights and Measures inspectors are required to cover large areas of the state. The larger tanks are necessary to reduce refueling time and increase working time for scale inspections.**

**BIDDERS MUST ACKNOWLEDGE RECEIPT OF THIS AMENDMENT BY SIGNING AND RETURNING A COPY OF THIS AMENDMENT WITH THEIR RFQF.**

**Vendor Signature:** \_\_\_\_\_
