1. **QUESTION:** Can you please provide any additional context about Tab 5, a. – Description of resources available with the firm. Can you disclose the types of resources that may be most helpful so that we can narrow and tailor our response appropriately?

ANSWER: Generally speaking, what resources (staff, technology, reference materials, physical locations, anything which you would deem an asset to the representation) would you bring to the Board?

2. **QUESTION:** Does a prohibition exist on outreach to state employees or officials who are involved in or may be related to this RFQ in some way while the RFQ is open?

ANSWER: Yes.

3. **QUESTION:** The RFQ at page 8 provides that the format of a respondent's SOQ must contain, as Tab 1, a "signed copy of this RFQ" and, if applicable, a "signed copy of any amendments" to the RFQ. Is there a particular form, statement, or signature line that a respondent should utilize in affixing a signature to a copy of the RFQ/Amendment included with a respondent's SOQ?

ANSWER: There is no prescribed form, statement, or signature line. We would recommend a copy be included behind Tab 1, with each page signed by the party submitting on behalf of the Respondent.
