We have established an agreement with National Joint Powers Alliance to allow purchases from their cooperative contract with Milliken & Company for commodities only. It is the buyer's responsibility to ensure this contract is not used in place of a required competitive process or as a substitute for other required purchasing approvals as required by Mississippi law. This contract was approved as another option for agencies to save money on floor covering not currently covered by our competitively bid contracts, and provides that the provisions thereof may be available to any county, municipality, school board or other local public agency or authority of the State of Mississippi which may elect to purchase at the prices, terms and conditions of sale specified therein. Services and installation are not included in this agreement.
