To Whom It May Concern:

The following questions were received pertaining to the above bid file. See answers below and bid accordingly.

Q1) Are you requesting a bid of no specific items?

A1) We desire to have the option of purchasing any quantity of any item in your catalog. This allows us to adjust our quantities depending on the curriculum and audience being taught.

Q2) Is this the happy Healthy logo?

A2) Yes

Q3) Will the spend be up front (as in needs to be spent by Oct.) or will it be paid for as used and we bill for what ships while maintaining inventory what is within the contractual agreement.

A3) We are in the process of extending until December 31, 2018, and anticipate spending \$445,000 by that time. We are currently budgeting for 2019 and anticipate additional funding for items. Items will be paid as ordered, but we need the vendor to warehouse items and ship to addresses we provide as needed.

**Addendum: Acknowledge the receipt of each addendum by writing on the bid form the number of the addendum and the date received.**
