RFQ No. 3140001171 for Accounting Services

1. In regard to RFQ# 3140001171 "Request for Qualifications to Provide Accounting Services", under section 4.2 (Minimum Qualifications), a reference is made to Attachment L, which must be signed by all persons anticipated to work on the project and be on file with MDHS. We are not able to locate attachment L in the RFQ document. Is it required to be submitted with the completed RFQ package or upon award of the contract?

Attachment L was intentionally removed. This document will be required once a contract is awarded and will be signed as part of the resulting contract.
