

Mississippi State University
Request for Proposals 18-51
High Performance Computing System

May 16, 2018
Addendum One

Please see the following changes to the RFP and respond accordingly:

1. We are extending the opening date of the RFP. Proposals will now be due on **Friday, May 25, 2018 at 2:00 p.m.**
2. We are also making changes to the scoring matrix. The proposals will now be scored by the following criteria:
 - i) Cost - 35pts. Please note that MSU has received \$5.5 million dollars in grants/contracts funding to procure this system.
 - ii) System Design; Technical Approach; Scalability - 30pts
 - lii) System Performance - 20pts
 - iv) Corporate Structure; Experience in HPC; References -10pts
 - v) Added Value Provided to MSU; Partnership Value - 5pts
