We have established an agreement with U.S. Communities now OMNIA Partners to allow purchases from their cooperative contract with Herc Rentals Inc. It is the buyer's responsibility to ensure this contract is not used for required competitive process items or as a substitute for other required purchasing approvals as required by Mississippi law.

This contract was approved as an option for agencies to save money on equipment rental, and provides that the provisions thereof may be available to any county, municipality, school board or other local public agency or authority of the State of Mississippi which may elect to purchase at the prices, terms and conditions of sale specified therein.
