

SUBSTITUTION REQUEST

(During the Bidding/Negotiating Stage)

Project: Frank Cochran Center Substitution Request Number: _____
From: Ralph Conte
To: D+P Architects PLLC Date: 6/2/2023
A/E Project Number: _____
Re: Aluminum Metal Soffit Contract For: _____
Specification Title: None Description: Called out on A7.0 & A7.1
Section: None Page: _____ Article/Paragraph: _____

Proposed Substitution: Linear Z Pan 6"
Manufacturer: American Decorative Address: 4510 E. 71st Street Phone: 216-341-2222
Trade Name: Ceilings Cleveland, OH 44105 Model No.: LP632Z-96

Attached data includes product description, specifications, drawings, photographs, and performance and test data adequate for evaluation of the request; applicable portions of the data are clearly identified.

Attached data also includes a description of changes to the Contract Documents that the proposed substitution will require for its proper installation.

The Undersigned certifies:

- Proposed substitution has been fully investigated and determined to be equal or superior in all respects to specified product.
- Same warranty will be furnished for proposed substitution as for specified product.
- Same maintenance service and source of replacement parts, as applicable, is available.
- Proposed substitution will have no adverse effect on other trades and will not affect or delay progress schedule.
- Proposed substitution does not affect dimensions and functional clearances.
- Payment will be made for changes to building design, including A/E design, detailing, and construction costs caused by the substitution.
