This letter is to confirm that PAR Excellence Systems, Inc. is the sole source provider for purchase and maintenance for all PAR Excellence products.

PAR Excellence proprietary PAR Bins hardware and PAR Excellence software are unique to and exclusively manufactured, developed, supported and maintained by Par Excellence Systems, Inc. PAR Excellence does not distribute products through resellers.

PAR Excellence solutions deliver measurable, sustainable and financial improvements to the bottom-line for your organization. Through the use of PAR Excellence solutions, The University of Mississippi Medical Center can:

- Increase revenue through improved charge capture
- Eliminate daily counting and requisitioning
- Reduce critical services interruptions
- Provide real-time enterprise-wide inventory visibility
- Optimize inventory turnover
- Effectively manage pick frequency
- Improve patient care due to reductions in the caregivers' time spent on inventory issues
- Reduce FTE's in materials management
