

November 7, 2018

University of Mississippi Health Care
2500 North State Street
Jackson, MS 39216

To whom it may concern:

This is in reference to the Identity Automation/Healthcast Epic EPCS software application. At this time, Identity Automation is the only vendor who is capable of configuring, deploying, updating, and supporting the above referenced software solution.

Please don't hesitate to contact me if I can be of any further assistance.

Sincerely,

A handwritten signature in cursive script that reads 'Chris Honeycutt'.

Chris Honeycutt
CFO
Identity Automation
