

Uniform Lease Service Contract

Uniform lease services contract, to provide new, cleaned, pressed, odor free uniforms at the inception of the contract, to meet or exceed the following **MINIMUM** specifications:

Non-Restrictive Clause: Any use of brand name or equal within this specification is to be considered a reference for the purpose of describing the standard of quality, performance, and characteristics desired. It is not intended to limit or restrict competition.

The vendor must respond to each of the following statements. Specifications listed are **minimum** requirements that must be met for a vendor to qualify for an award. A "YES" response means the vendor guarantees that they meet this requirement. A "NO" response means the vendor cannot meet the requirement and will not be considered. The vendor must supply printed literature that shows compliance with each requirement of the specifications and, if on inspection, an item is found not to comply, the bid will be rejected.

Descriptive literature shall be furnished to substantiate the details specified in the bid.

A sample shall be included for each item specified below. Separate samples shall be included for each item having multiple color options. One sample shall be included for each color requested for each item specified.

A copy of your most current and up to date catalog of work apparel available shall also be included.

SPECIFICATIONS

Listed below are the individual items to be included in MDOT's Uniform Lease Service Contract:

Shirts – Must provide each of the following colors: white, khaki/tan, light blue, navy, and grey.

1. Blend Shirt
2. Cotton Shirt
3. Flame-Resistant Shirt

Pants – Must provide each of the following colors: navy, brown, and denim.

4. Blend Pants
