The quotes for the above items (Thermo Plastic Materials and Hot Sprayed Paint) **will not be used to award the contract.** The quotations will used to help determine the starting price for the reverse auction. **The results from the reverse auction will award the contract for Thermoplastic Materials.**

PRIMERS

The primers (hydrocarbon resin and alkyd resin) will be awarded to the awarded vendors of the above mentioned line items due to compatibility issues. The primers **will not** be part of the reverse auction. The prices submitted by the vendors for the primers will be contract prices for the agency contract. The prices for primers should be the prices the vendors wish to sell to the Mississippi Department of Transportation.
