We propose and agree to deliver **ROCK SALT** to the above locations within _____ hours after receipt of order.

It is understood and agreed that, in the event we fail to supply the material within the time set out above, the Department of Transportation reserves the right to purchase **ROCK SALT** on the open market and charge us the difference in the delivered cost of said material and the delivered cost under our contract.

It is understood and agreed that for any material ordered for truck delivery (we) the Contractor will furnish the truck or trucks and our price **PER TON** will be F.O.B. (our) Contractor's truck delivered to any of the above Department of Transportation's storage sites, with no reimbursement for delivery cost.

TERMS: To apply on any of the above prices: _____% discount for payment of invoice at next regular meeting of the Transportation Commission following delivery of material and receipt of invoice.
