COM Yardage Requirements

Procedure

To determine if a COM fabric has been approved for use on Haworth product, contact the Haworth Inquiry Center (1.800.426.8562), your local Haworth dealer, or go to Haworth.com/surfaces > COM Library. Haworth will calculate and order fabric unless instructed otherwise. If the dealer is to provide the fabric, they will calculate the yardage needed themselves.

If the fabric is approved, and the directional orientation (directional rightway, directional railroad, or non-directional) of the tested fabric has been confirmed, then refer to the appropriate price page for yardage requirements.

COM Fabric Requirements

The fabric yardage requirements for COMs given for each model are in lineal yards and are based on 54"(1372mm) usable fabric widths. Approximate yardage requirements are shown for each model within the price pages.

For fabrics already approved, with a COM order entry code assigned, Haworth will determine and purchase the yardage needed. If the fabric will be provided by the dealer, and the pattern has a large repeat or stripes, additional yardage will be needed; see the COM Yardage Requirements at the end of this price guide OR contact the COM Department for more information.

COL Leather Requirements

The leather requirements for COL (Customer's Own Leather) will vary depending on the hide size and are based on square footage. Haworth will determine and purchase the leather needed.

Find total number of linear yards required for the order. Add the appropriate percentage shown below to the total yardage to accommodate fabric flaws, wrinkles and other imperfections.

Up to 500 yards	Add 10%
501 to 1000 yards	Add 5%
More than 1000 yards	Add 3%

A. Ordering Information

Haworth sells its products on the terms set forth in these standard Terms of Sale:

ORDERS MUST BE SUBMITTED IN WRITING OR ELECTRONICALLY (Lynx) AS REPRESENTED BY A VALID PURCHASE ORDER, WHICH INCLUDES PRODUCT TOTAL.

An order is not binding upon Haworth until Haworth issues an order acknowledgment to the customer (the "Customer"), which will include price information and an anticipated delivery date.

1. Order Changes/Cancellations

For Specials, Customer's Own Material (C.O.M.), finish matches, custom colors, custom products, Master lock and key orders, and RUSH orders, no changes or cancellations are allowed 24 hours after order placement. All other products require approval for changes or cancellations. A change/cancellation fee may apply. Contact Order Services for applicable charges.

Ship-to addresses changed within five (5) business days of delivery will incur fees to cover administrative costs due to re-labeling of product and/or reconsignment fees with the carrier.

Order cancellations are complete annulments of orders. Order changes are the deletion of line items or a change in size, color, quantity, ship-to address, or scope of work. There is no penalty for additions; however, any change may cause the order or the line items affected to be rescheduled. Order changes involving additional product and services which increase the value must be accompanied by an amended Purchase Order or other document as agreed.

ALL CHANGES MUST BE IN WRITING, REGARDLESS OF THE (DOLLAR) VALUE. CHANGES ARE NOT BINDING UPON HAWORTH UNTIL HAWORTH ISSUES AN ACKNOWLEDGMENT OF THE CHANGE.

2. C.O.M. (Customer's Own Material)

A Customer who requests a fabric, surface or finish material (C.O.M.) not in Haworth's standard finish offering must first confirm approval of or request new approval for the C.O.M.

Haworth will determine feasibility of the material for manufacturability. For a description of the procedure to submit C.O.M. samples, contact Haworth's Order Services department. For testing information, see the C.O.M. section of the catalog, or call Haworth Order Services.

If Haworth agrees to use the C.O.M., (1) Haworth shall have no responsibility for the condition, quality, value, performance, physical properties, or any other aspect of the C.O.M.; and (2) Haworth shall have no liability for any damages, injuries, or losses to the Customer or to any third party that shall be caused by any C.O.M., and the Customer shall hold Haworth harmless for all such liability.
