RFx #3160002153

The Mississippi State Department of Health will purchase food and services for the Women, Infants and Children Special Supplemental Nutrition Program (WIC), and invites you to submit a bid in accordance with the terms and conditions of this request for bids. The lowest and best bidder in accordance with applicable law and regulation will be selected. Once award of the bid has been made, the terms and conditions as set forth in this request for bid shall become a contract binding on the successful bidder. Any documents submitted to satisfy a requirement of this request for bid and any assurances made by the successful bidder in satisfaction of this request for bid shall become a part of the agreement between the Mississippi State Department of Health and the successful bidder. The Mississippi State Department of Health shall have the right to rely upon the documents and assurances submitted by the successful bidder.

This bid request is an **all-item/all location** bid for the period of July 1, 2018 to June 30, 2019. **This is a request for a TWELVE (12) MONTH BID.** The agency reserves the right to extend the bid for a period of from one month up to twelve months (one month up to one year) with the concurrence of the vendor. The bid price must include not only the food items indicated, but also storage, supply and distribution of these items in this request for bid. **Each bidder must pickup damaged and stale bread at each delivery.** Therefore, guarantee sale should be included with the bid price. The deliveries will be to locations listed on the attached list. Deliveries must be made on a schedule that is acceptable to the Mississippi State Department of Health. The bid price should include weekly inside delivery and stacking in areas specified by the WIC personnel at each location. The vendor must provide stacking of the product in a commercially acceptable manner and shall furnish racks and rollers.

Each bidder will be bound by the following paragraphs of this bid.

Each bidder must sign the enclosed "Certification Concerning Debarment and Suspension," Attachment A.

The successful bidder must abide by the following provisions: **"Use of WIC Service Marks"** Manufacturer acknowledges that the WIC Acronym and the WIC Logo are service marks owned by the Department of Agriculture (USDA), and that all rights therein and goodwill pertaining thereto belong exclusively to USDA. Manufacturer shall not use these service marks in any manner on its goods or their containers or packaging or on tags or labels affixed thereto.

Manufacturer also shall not use the WIC Logo in advertising or other promotional materials (collectively: “advertising”).

Manufacturer shall not use the WIC Acronym in advertising in any manner that is likely to cause confusion, mistake, or deception as to the affiliation, connection, or association of Manufacturer with the WIC Program, or as to the sponsorship or approval of Manufacturer’s goods, services, advertising, or commercial activities, including nutritional message(s), by the WIC Program, USDA, or the State agency. Manufacturer shall include the following statement with any use of the WIC Acronym in advertising: “WIC is a registered service mark of the U.S. Department of Agriculture for USDA’s Special Supplemental Nutrition Program for Women, Infants and Children.”

E-Verify Compliance - Contractor/Seller represent and warrants that it will ensure its compliance with the Mississippi Employment Protection Act (Senate Bill 2988 from the 2008 Regular Legislative Session) and will register and participate in the status verification system for all newly hired employees. The term “employee” as used herein means any person that is hired to perform work within the State of Mississippi. As used herein “status verification system” means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor/Seller agrees to maintain records of such compliance and , upon request of the State, to provide a copy of each such verification to the State. Contractor/Seller further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Contractor/Seller understands and agrees that any breach of these warranties may subject Contract/Seller to the following: (a) termination of this Agreement and Ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such (b) the loss of any license, permit, certification or other document granted to Contractor/Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Contractor/Seller would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

E-Payments – Payments by the Mississippi State Department of Health shall be made and remittance information provided electronically as directed by the State of Mississippi. These payments shall be deposited into the bank account of the Contractor’s choice. The state may, at its sole discretion, require the Contractor to submit invoices and supporting documentation electronically at any time during the terms of this agreement. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

Applicable Law – This purchase(s) shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of law provisions, and any litigation with respect thereto shall be brought in the courts of the State of Mississippi. The vendor shall comply with applicable federal, state and local laws and regulations.

Payment Terms – MS Code Section 31-7-305(3) allows a state entity to pay invoices within 45 days without penalty.

Bid terms are welcome, however, they will not be used as criteria for awarding the bid.

Items will be purchased from the bid by the Mississippi State Department of Health in accordance with the terms and conditions set out in this request for bid and the attachments hereto. No bread changes can be made without the expressed written approval of the MSDH.

The packaging of all bread products that become a part of this bid and/or subsequent contract must conform to all applicable requirements of the Nutrition Facts labeling laws. The vendor must also supply nutritional data on each product. All packages of bread products on this bid must be date stamped with the **date baked** and **sell by date** on the wrapper.

The successful bidder will supply, at the bid price, amounts which may vary from 95% to 105% of the quantities set out in the attached bid list. The amounts requested to be supplied to the WIC program by the Mississippi State Department of Health within the 95% to 105% range must be supplied at the bid price.

The Mississippi State Department of Health may purchase and require the delivery of more than 105% of the quantities specified in the request for bid. In the event that the Mississippi State Department of Health orders amounts in excess of 105% of those quantities set out in the attached list, the Mississippi State Department of Health agrees to reimburse the supplier for price increases directly incurred by the supplier during the bid period, but only as any such increase relates to the quantity purchased which exceeds 105% of the quantities set out in the attached list. Documentation of such price increase, including invoices, certifications from manufacturers or suppliers and the like, must be furnished as requested by the Mississippi State Department of Health as a condition precedent to any price increase reimbursement.

All orders for replenishing stock in the various program locations will be issued from the WIC Program Central Office located at 805 South Wheatley Street, Ridgeland, MS 39157.

Over 100,000 program participants depend on the regular, uninterrupted deliveries that are contemplated and are the basis of this request for bids. The stability of the bidder and the ability of the bidder to carry out the terms and conditions of this request for bid is of the utmost importance, therefore the Mississippi State Department of Health will require of the lowest bidder, as a part of this request for bids, documentation of all requirements set out in Attachment B, labeled BIDDERS QUALIFICATIONS, which will be evaluated by the program staff and departmental staff in determining whether the lowest is also the best bidder.

Such information required from the preliminary low bidder along with a performance bond in the amount of **25%** of the bid award made payable to the State of Mississippi, conditioned on the faithful performance of the terms and conditions of this bid shall be furnished to the Mississippi State Department of Health prior to the start of the contract.

Each bidder must be able to provide a minimum of one delivery per week, Monday through Friday or such fewer days as may be acceptable by the Department of Health, to each Food Center location. The Department of Health will provide ordering information to the successful bidder by 5:00 p.m. Central time at least seven days prior to the scheduled delivery (e.g., orders placed by 5:00 p.m. on Monday will be delivered to the applicable Food Centers within the specific delivery region designated for Thursday delivery). All original orders shall be filled at a monthly average of 99% or above on the scheduled delivery day.

State and Federal law requires that the Mississippi State Department of Health not be liable should federal or state funds not be available to make the purchases. Should federal or state funds be reduced or eliminated, the State of Mississippi, the Mississippi State Department of Health, the WIC Program, its agents, servants and employees would have no obligation to purchase any quantity of goods or services covered by this request for bid. The bidder agrees to hold the above enumerated entities and individuals harmless in that event.

The bidder/prospective vendor must further give assurances in writing that it can provide and deliver quantities of all products as ordered on a schedule agreeable to the Mississippi State Department of Health. The bidder shall deliver to the locations listed on schedule and invoice each location separately. No substitution of goods, nor modification of terms shall be allowed without specific, prior written approval signed by the WIC Program Director. In addition, all terms set out in Attachment C labeled **VENDOR REQUIREMENTS** must be adhered to. The contractor shall not assign, sell or subcontract in whole or in part, its rights or obligations under this agreement without prior written consent of the MSDH. Any attempt assignment or sale of the contract without said consent shall be void and of no-effect.

The WIC Program reserves the right to inspect the warehouses and equipment of the successful bidder prior to and during the contract, and has the right to refuse any product not meeting the specifications of this bid.

The Mississippi State Department of Health shall, in the event of program changes which may cause the increase or decrease in quantities of items to be purchased, notify the vendor as far in advance as possible to provide time for liquidation and/or the procurement of stock.

Contract may be canceled for cause for either party with the giving of 30 days written notice of intent to cancel. Cause for the State Department of Health to cancel shall include, but is not limited to, cost exceeding current market prices for comparable purchases; requests for increase in prices during the period of the contract; or failure to perform to contract conditions. The Contractor will be required to honor all purchase orders that were prepared and dated prior to the date of expiration or cancellation if received by the contractor within a period of 30 days following the date of expiration or cancellation. Cancellation by the State Department of Health does not relieve the Contractor of any liability arising out of a default or nonperformance.

If the agency is closed for any reason, including but not limited to: acts of God, strikes, lockouts, Riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters (the "Force Majeure Events"), which closure prevents the opening of bids at the advertised date and time, all bids received shall be publicly opened and read aloud on the next business day that the agency shall be open and at the previously advertised time. The new date and time of the bid opening, as determined in accordance with this paragraph, shall not be advertised and all bidders, upon submission of a bid proposal, shall be deemed to have knowledge of and shall have agreed to the provisions of this paragraph. Bids shall be received by the agency until the new date and time of the bid opening as set forth herein. **The agency shall not be held responsible for the receipt of any bids for which the delivery was attempted and failed due to the closure of the agency as a result of Force Majeure Event.** Each bidder shall be required to ensure the delivery and receipt of its bid by the agency prior to the new date and time of the bid opening.

Submitted bids/responses will be available for review at the bid opening.

The bid will be awarded to the lowest and the best bidder as determined by the agency. The awardee will perform the terms and conditions of the bid and any contract awarded hereunder. No assignment of subcontracting of the bid award or any contract awarded there under shall be allowed without prior written approval of the State Health Officer.
