ABOUT

Build your own table with our customized, commercial-grade table products. Mix and match sizes, styles, and finishes by choosing a laminate, laminate with wood edge, or butcher block top, trestle or pedestal base, wood or metal legs and one of six finishes to complete your table. All Blockhouse wood products feature an antimicrobial finish and carry a limited lifetime warranty. Visit www.Blockhouse.com to view all table base and table top options.

T412310
(Shown in Mahogany Stain)

ABOUT

Just under half a century has passed since Blockhouse Furniture introduced butcher block seating with our signature Key-Loc® reversible cushion system. To accompany our butcher block seating, we developed two pairings of occasional tables; the Endurance and Bravura. Both styles are crafted from Northern Red Oak butcher block, with rounded bull nose edges. Optional stain finishes are available.
