The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor/Seller agrees to maintain records of such compliance and , upon request of the State, to provide a copy of each such verification to the State. Contractor/Seller further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Contractor/Seller understands and agrees that any breach of these warranties may subject Contract/Seller to the following: (a) termination of this Agreement and Ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such (b) the loss of any license, permit, certification or other document granted to Contractor/Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. These payments shall be deposited into the bank account of the Contractor's choice. The state may, at its sole discretion, require the Contractor to submit invoices and supporting documentation electronically at any time during the terms of this agreement. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

Applicable Law – This purchase(s) shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of law provisions, and any litigation with respect thereto shall be brought in the courts of the State of Mississippi. The vendor shall comply with applicable federal, state and local laws and regulations.

Payment Terms – MS Code Section 31-7-305(3) allows a state entity to pay invoices within 45 days without penalty.

Bid terms are welcome, however, they will not be used as criteria for awarding the bid.

Items will be purchased from the RFQF Reverse Auction by the Mississippi State Department of Health in accordance with the terms and conditions set out in this request and the attachments hereto. No bread changes can be made without the expressed written approval of the MSDH.

The amounts requested to be supplied to the WIC program by the Mississippi State Department of Health within the 95% to 105% range must be supplied at the bid price.

The Mississippi State Department of Health may purchase and require the delivery of more than 105% of the quantities specified in the request for bid. In the event that the Mississippi State Department of Health orders amounts in excess of 105% of those quantities set out in the attached list, the Mississippi State Department of Health agrees to reimburse the supplier for price increases directly incurred by the supplier during the bid period, but only as any such increase relates to the quantity purchased which exceeds 105% of the quantities set out in the attached list. Documentation of such price increase, including invoices, certifications from manufacturers or suppliers and the like, must be furnished as requested by the Mississippi State Department of Health as a condition precedent to any price increase reimbursement.

All orders for replenishing stock in the various program locations will be issued from the WIC Program Central Office located at 805 South Wheatley Street, Ridgeland, MS 39157.

Over 100,000 program participants depend on the regular, uninterrupted deliveries that are contemplated and are the basis of this request. The stability of the bidder and the ability of the bidder to carry out the terms and conditions of this request is of the utmost importance, therefore the Mississippi State Department of Health will require of the awarded bidder, as a part of this request, documentation of all requirements set out in Attachment B, labeled BIDDERS QUALIFICATIONS, which will be evaluated by the program staff and departmental staff in determining whether the lowest is also the best bidder.

Such information required from the preliminary low bidder along with a performance bond in the amount of **25%** of the bid award made payable to the State of Mississippi, conditioned on the faithful performance of the terms and conditions of this bid shall be furnished to the Mississippi State Department of Health prior to the start of the contract.

specific delivery region designated for Thursday delivery). All original orders shall be filled at a monthly average of 99% or above on the scheduled delivery day.

State and Federal law requires that the Mississippi State Department of Health not be liable should federal or state funds not be available to make the purchases. Should federal or state funds be reduced or eliminated, the State of Mississippi, the Mississippi State Department of Health, the WIC Program, its agents, servants and employees would have no obligation to purchase any quantity of goods or services covered by this request for bid. The bidder agrees to hold the above enumerated entities and individuals harmless in that event.

The bidder/prospective vendor must further give assurances in writing that it can provide and deliver quantities of all products as ordered on a schedule agreeable to the Mississippi State Department of Health. The bidder shall deliver to the locations listed on schedule and invoice each location separately. No substitution of goods, nor modification of terms shall be allowed without specific, prior written approval signed by the WIC Program Director. In addition, all terms set out in Attachment C labeled VENDOR REQUIREMENTS must be adhered to. The contractor shall not assign, sell or subcontract in whole or in part, its rights or obligations under this agreement without prior written consent of the MSDH. Any attempt assignment or sale of the contract without said consent shall be void and of no-effect.

The WIC Program reserves the right to inspect the warehouses and equipment of the successful bidder prior to and during the contract, and has the right to refuse any product not meeting the specifications of this bid.

The Mississippi State Department of Health shall, in the event of program changes which may cause the increase or decrease in quantities of items to be purchased, notify the vendor as far in advance as possible to provide time for liquidation and/or the procurement of stock.
