General Information

WOODS AND FINISHES

All wood items are constructed of oak/oak veneer core plywood unless otherwise specified. Other woods are available but cost and delivery schedules vary from standard oak.

Any modification to product, components or to the original configuration specified by the specifier and/or purchaser will null and void The Brill Company's warranty and liability for use of the product.

Standard finish is a natural catalyzed lacquer. For Brill standard stains, 7.5% upcharges will be applied. Custom finishes to match customer requirements are available at an upcharge. Custom finish upcharge will be determined at time of quotation.

LAMINATE TOPS

Items offered with matching laminate tops may be ordered in other colors or patterns. However, delivery times may be extended and a price upcharge may be applicable.

WOOD FURNITURE CARE

Care of all our wood furniture should be restricted to cleaning with a soft cloth moistened in a solution of warm water and a very mild detergent. This may be done as often as needed with no effect on the finish. Use of any solvent should be limited since it can wear away the finish.

UPHOLSTERED FURNITURE CARE

Care of fabric on upholstered furniture will be based on fabric manufacturer's guidelines.

UPHOLSTERED FURNITURE COVERING MATERIALS

Prices for furniture upholstered in the Brill graded in fabrics are indicated in this price list.

C.O.M. prices include labor to apply Customer's Own Material, but not the cost of the material.

C.O.M. coverings must be approved by Brill prior to acceptance of an order. Upon approval, a sample swatch must accompany the order. The Brill Company assumes no responsibility for wear, defects, or performance of C.O.M. coverings. Special instructions for handling materials (patterns, directional stripes, etc.) must be submitted in writing before the fabric is delivered. In the absence of special instructions, we reserve the right to use our judgement.

Standard yardage requirements are based on 54" wide covering material (random cut, non-matched, backed fabric) and must be increased for material less than 54" wide. Additional yardage may also be needed if pattern matching is required. Though every effort will be made to accurately estimate yardage required for C.O.M. material, The Brill Company accepts no responsibility when additional yardage is required.

Additional costs will be applied for matching, hand cutting, two toning and surging when necessary.

All C.O.M coverings are to be shipped freight prepaid to:

Brill Seating – Attn: Jim Sellars
4742 Green Court
Elkhart, IN 46516

The outside of each package must be labeled with The Brill Company purchase order number and the customer's name.
