

**The VP PEDESTAL SIGN**

is a unique product design that is intended to display a strong, focused message — whether it is your name, or some other important communication, the VP PEDESTAL SIGN provides an image enhancing accent with adjustable *V*ision *P*oints.

Cradling the patented APPENX DOT design in the body of the adjustable base, the overall aesthetics makes the product an accessory that complements the most distinctive office interiors.

The stability of the base allows even larger message plaques to be viewed in a vertical position or at a 20 degree angle by rotating the snap-on base cap for the optimum *V*iewing *P*osition.

The VP PEDESTAL SIGN — a *V*ery *P*restigious design statement ..... from any *V*antage *P*oint.
